

**ANNUAL
REPORT
2015-16**

Capacity. Capability. Credibility.

JK Cement LTD.

Forward Looking Statement

In this Annual Report, we have disclosed forward looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried, wherever possible, to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in our assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward looking statement, whether as a result of new information, future events or otherwise.

After crossing the important capacity milestone of 10 MnTPA, we are now well positioned to recalibrate supplies and respond to demand.

We strive to focus on ensuring ultimate customer experience, and we have the capability to ensure maximum customer satisfaction. With our diverse product range and a strong workforce in place, we are well poised to cater to evolving customer needs. Besides, we are strengthening our capability by penetrating into new geographies and strengthening our market presence.

Over the years, we have established ourselves as a credible organisation, backed by our consistent endeavour to exceed our standards, over and over again. We have gained the confidence of our shareholders and other stakeholders through our encouraging performance.

Now, we have the capacity, capability and credibility to partner India's next level of growth.

J.K. CEMENT – AT A GLANCE

J.K. Cement is one of India's leading cement and building product manufacturers. We are part of the multi-disciplinary industrial conglomerate, J.K. Organisation, with over four decades of experience in cement manufacturing. We are present across core categories of Grey Cement and White Cement, along with value-added products like Wall Putty, Waterproof Compound and Primaxx.

Our superior products, best-in-class quality raw materials, an extensive marketing and distribution network and strong technical know-how have helped us emerge as an industry leader. The Company

is the third largest White Cement manufacturer in the world with 1.20 MnTPA capacity, including 0.6 MnTPA White Cement plant at Fujairah, UAE. Besides, we are also 2nd largest producer of Wall Putty in India with installed capacity of 0.7 MnTPA. Our installed Grey Cement capacity of 10.5 MnTPA makes us one of the industry frontrunners.

We are consistently growing our capacity and enriching our portfolio to reach more customers nationally and internationally.

Expanding capacities & strengthening revenues over 5 years (STANDALONE)

Grey Cement

White Cement & Wall Putty

1975

The Group entered the cement business with 0.3 MnTPA plant at Nimbahera

2005

The Company got listed on the BSE

2007

- Enhanced Grey Cement capacity by 0.50 MnTPA, set up a 20MW coal based power plant and 13.2MW of waste heat recovery based power plant at Nimbahera and enhanced White Cement capacity by 0.1 MnTPA at Gotan, through FPO proceeds
- Acquired a 0.1 MnTPA White Cement unit at Gotan from Nihon Nirman and subsequently in 2009, converted the unit to produce 0.47 MnTPA Grey Cement

JOURNEY TO

2004

Acquired a cement division from its affiliate through slump sale, on a going concern basis, with a capacity to manufacture 3.55 MnTPA of Grey Cement and 0.3 MnTPA of White Cement along with 15 MW of captive power plant

2006

Successfully raised ₹ 2,960 Mn through the Follow on Public Offer ('FPO')

2009

Commissioned a 3 MnTPA Greenfield plant in south at Muddapur, Karnataka

2013

Best Employer Award in Northern Region, 2012 –Employer's Association of Northern India

2016

- 0.20 Million Tons Wall Putty plant in Katni – Madhya Pradesh
- Best Employer Award -2014 from Employer's Association of Rajasthan

PROGRESS

2012

National Award for Excellence in Cost Management – 2011 from ICAI

2014

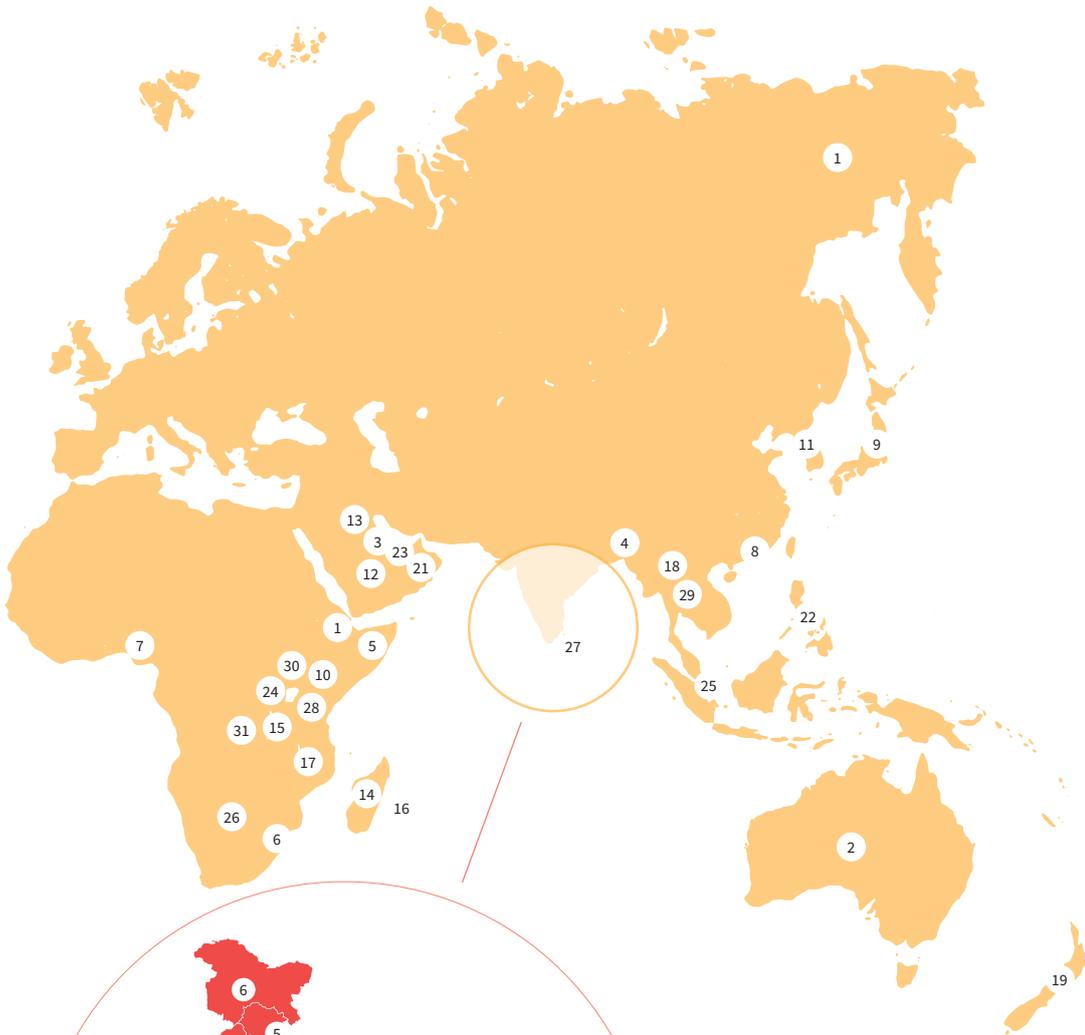

- Commissioned a 1.5 MnTPA grinding unit for Grey Cement capacity at Jhajjar (Haryana)
- Commissioned a 1.5 MnTPA Grey Cement capacity at Mangrol (Rajasthan) with 35 MW captive power including 10 MW waste heat recovery
- Commissioned a 0.6 MnTPA White Cement capacity at Fujairah (UAE)

CHAIRMAN AND MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

Although FY 2015-16 was not a very satisfactory year for the cement industry, we maintained our stable growth. The macro fundamentals don't always impact the micro situation. During the year, the cement industry witnessed weak demand due to slow pick up in infrastructure projects as well as lack of demand from rural sector. Cement demand grew by a mere 3% in FY 2015-16, compared to 5.6% in the previous fiscal. Low demand, along with excess capacity resulted in lower capacity utilisation.

Despite challenges, we restored our position. Last year, we crossed the capacity milestone of 10 MnTPA with the commissioning of brownfield unit at Mangrol, Rajasthan and split grinding unit at Jharli, Haryana. With this achievement, we are now well positioned to recalibrate supplies and respond to demand. Our capacity expansion has helped us penetrate deeper into markets and leverage cost advantage. The capacity expansion with the addition of new plant has helped us improve our efficiencies. Now, if we notice a strong demand in the north, we can easily increase our production there, utilising our clinkerisation unit.

Post expansion of 3 MnTPA, we are operating at 67% utilisations (on 7.5 MnTPA of north capacity). Southern capacity of 3 MnTPA is operating at 60% utilisations, and market mix seems to be healthy. We are the second largest player in the White Cement industry in India, with almost 40% market share. We have a capacity of 0.6 MnTPA in India and another 0.6 MnTPA White Cement plant in Fujairah, UAE. The much awaited power connectivity to the UAE Plant has been given in April, this year. With this, the plant is expected to generate an attractive return on capital employed at optimum capacity utilisation. Besides, our Mangrol plant has become one of the most cost efficient plants in the industry. Fuel being a major component of the cement industry, we were largely benefited by the decline in crude price.

Coming to Grey Cement category, we registered a growth of more than 9% in production volume over the previous year. While North India contributed over 14% in volume, South India registered de-growth of 2%. This is over and above industry growth of 3% for FY 2015-16. White Cement reported more than 2% growth over the last year, whereas White Cement based Wall Putty registered a growth of 22% over the previous year, resulting in 95% capacity utilisation of Wall Putty. Our existing capacity is almost utilised, and we have commissioned new capacity in Katni on 26th May'16.

From product perspective, we have continued with our efforts to innovate something new. We have come up with a new multi-purpose White Cement based Wall Dressing, Primaxx, with a perfect blend of adhesion, strength and durability. Due to its versatility, it is ideal for both interiors & exteriors and for new as well as old cemented surfaces.

During FY 2015-16, we also faced some challenges in our journey. Our 3 MnTPA Grey Cement manufacturing unit at Mudhol (Karnataka) had to be temporarily stopped as the clinker silo roof suddenly caved-in. We took necessary steps to restore the production and have been able to do so in short period without

adversely affecting the market. However, our problems did not end here. We faced another calamity in the month of April in same plant where a crack was observed in the CF Silo and as a result of which the plant had to be stopped again. We have continued our supplies to the market from alternate sources of clinker and have also started the plant with direct feeding. We are addressing the issue to avoid any major calamity to the plant and operations. We are hopeful to bring it down without any major setback to the Company and will be building a new silo for continuous operations. Despite these setbacks, we move forward with optimism.

THE FUTURE LOOKS BRIGHTER

Our industry's growth is primarily dependent on infrastructure sector. However, India's infrastructure story is still in its early stage. With only 73% of capacity utilisation, the demand stood at 284 MnTPA as against the supply of 384 MnTPA during FY 2015-16. If the rate of growth of consumption remains low at 5-6%, the existing capacity would be sufficient to meet the cement demand for the next few years.

The government efforts to propel the infrastructure sector with higher spend on roads and highways, irrigation and push to 'Housing for All' schemes will boost cement demand. In the Union Budget, total outlay for infrastructure is pegged at ₹ 221246 crore in FY 2016-17. Besides, ₹ 7296 crore has been allocated for the development of smart cities under Urban Rejuvenation Mission (AMRUT and Mission for Development of 100 Smart Cities). A budget of ₹ 19,000 crore has been announced for the rural roads programme called Pradhan Mantri Gram Sadak Yojana.

These initiatives augur well for our sustainable growth. Besides, the concretisation of kuccha roads to pucca roads in rural and semi urban areas and the construction of toilets under Swachh Bharat Abhiyan will further enhance cement demand.

The housing sector alone constitutes 2/3rd of cement consumption. The Reserve Bank of India has cut repo rates from 8% in Jan'14 to 6.5% in Apr'15. The lower borrowing cost will help customers purchase or construct new homes. This will accelerate the demand for the real estate including low-cost or affordable housing.

STAYING TRUE TO VALUES

While leveraging the emerging opportunities, we will always remain true to our values. Our customers, employees and native communities are integral to our growth, and we are committed to addressing their needs from time to time.

Being a customer-focused organisation, our primary objective is to cater to customer aspirations by providing value-added products. Their continued trust has given us the confidence and motivation to produce supreme and best-in-class products. We intend to continue our growth, without making any compromise on our quality.

A powerful team can only raise the standard of a Company and ensure its sustainable growth. Individual talent matters, but only to a limited extent. The ultimate success depends on how the team performs. Therefore, our focus is on building a team that will drive the Company's business growth. We continue to refine our established people processes to keep them abreast of global practices, thereby adding value to the organisation.

We are improving upon our environmental footprint and contributing towards more inclusive growth of society. Our endeavour is to reduce environmental de-gradation, thus improving climatic condition in the long run. Moreover, we are also taking steps to optimise resources and improve efficiencies.

WAY AHEAD

Going forward, we aim to expand our capacity, while coming up with new products. We expect, our performance to augment further in subsequent years on the back of expected demand recovery in Southern and Western markets and reversal in Northern prices.

We are moving towards an overarching objective of maintaining sustainable business growth, while creating value for all. I would require the support and cooperation of all our shareholders and other stakeholders to achieve our long-term vision.

With warm wishes,

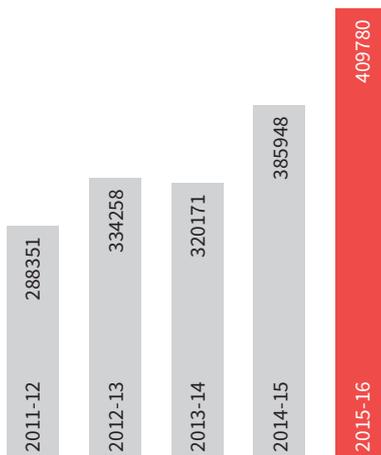

Y. P. Singhania

Yadupati Singhania
Chairman and Managing Director

STAKEHOLDER ENGAGEMENT

At J.K. Cement, stakeholder engagement is integral to our business. Their interests and concerns are important to us because we believe in progressing with them. We consistently engage with our key stakeholders through various platforms to maintain a level of transparency and protect their interests.

Loading of Grey Cement

SHAREHOLDERS

- We keep our shareholders updated about our financial performance, annual performance and new projects through various platforms.
- Annual general meeting, annual report, shareholder meetings and sustainability report make them aware of the changes in the Company's governance and triple bottom line performance.

EMPLOYEES

- We organise training programmes for employee skills upgradation, which help them improve their performance.
- We motivate employees and encourage team building. We insist daily discussion and resolution of issues.
- Training programmes are also conducted on occupational health and safety. We focus on prevention of accidents, health-hazards and overall employee safety.
- We organise plant-level reward programmes for best performers. It motivates them and encourages employees to add more value to the business.

CUSTOMERS

- Our focus is on making customers aware of our product features. We are using social media platforms to strengthen our engagement with customers and get instant feedback from them.
- Our customer care service team addresses customer queries and collects feedback for future product and service improvement.
- We focus on analysing customer grievance to rectify mistakes and ensure better customer experience.

DEALERS

- Our dealers are one of the major partners of our business. We focus on their welfare and growth, besides creation of wealth.
- We receive market feedback through dealers.
- We organise dealer meetings to interact with them and strengthen our relationships. Besides, dealer surveys are also organised.

REGULATORS & STATUTORY BODIES

- We comply with the standards set by regulatory bodies and the government.
- In line with compliance management, we publish regular compliance reports.
- Besides, statutory audits are also performed.

LOCAL COMMUNITIES

- We take the society along in our progress. Thus, we undertake various social initiatives to improve the life of local communities.
- We conduct daily informal interactions to assess the situation of communities and understand their needs.
- We also organise regular field surveys to analyse our social initiatives and their impacts.

STRONG ON FUNDAMENTALS

At J.K. Cement, we strive to improve the quality of our products, processes and services. We follow a systematic approach to manage our processes, satisfy quality requirements, create value along the product lifecycle and strengthen relationships with customers and suppliers.

MAKING OUR PLANTS FUTURE READY

We take dedicated efforts to ensure superior quality. At Nimbahera and Mangrol, our labs are equipped with state-of-the-art process control instrumentation and quality control system. The testing laboratory is manned by qualified professionals to ensure that the product quality meets industry standards.

As part of our recent brownfield expansion at Mangrol plant, we have installed a fully automatic Robo lab. It helps in ensuring quality improvement of raw mix and cement. It takes samples automatically and subsequently, analyses them to suggest the areas of improvement. This ensures better product quality.

Our Muddapur unit has advanced technologies, process control and quality control for seamless operation of the plant. The unit is equipped with Robo lab and Automatic Blain Analyser. The plant is controlled by Central Control Room (CCR), which has sophisticated control systems and latest technologies like Fuzzy Operations. These measures allow us to monitor and maintain the quality of our products, while ensuring health and safety of our people and the environment.

COMPLYING WITH REGULATORY STANDARDS

We comply with all regulatory requirements applicable to our industry, including compliance to product labelling as well as marketing practices. During the year under review, we did not report any incident of non-compliance with regulatory or voluntary codes, concerning health and safety impacts of products, product and service labelling and marketing communications.

Capacities

FOR THE
FUTURE

The cement industry's growth primarily depends on the development of infrastructure sector. With the government initiatives to strengthen this sector, we see great opportunity for ourselves. We are well poised to play a crucial role in the next level of India's growth with our enhanced capacities.

A View of Jharli Plant

STRENGTHENING OUR EXISTING CAPACITIES

The Nimbahera facility commenced commercial production in 1975 with an annual capacity of 0.3 MnTPA. With constant upgradation, the unit's present capacity has touched 3.25 MnTPA. It is equipped with waste heat recovery system of 13.2 MW to reduce the electrical energy cost and utilise waste heat.

The Mangrol facility's commercial production commenced in 2001 with 0.75 MnTPA capacity. With consistent advancement, this facility's capacity has increased to 2.25 MnTPA, along with 25 MW captive power plant and 10 MW waste heat recovery plant.

Situated near Muddapur village of Karnataka, Muddapur facility's cement production capacity is 3 MnTPA, based on the quantum of portland and slag cement. The Muddapur facility is equipped with the most advanced technology available in the global market, making it the most modern plant.

Gotan facility is a dual process plant with the capability of manufacturing Grey Cement as well as White Cement. Grey Gotan facility's existing capacity stands at 0.5 MnTPA.

We were the first in India to build a White Cement facility. The White Cement plant was commissioned at Gotan, Rajasthan in 1984, with an initial production capacity

of 0.05 MnTPA. Over the years, continuous process improvements and modifications have enhanced the plant's production capacity to 0.6 MnTPA. Our Wall Putty capacity was 30,000 tonnes per annum in 2005, which increased to 5 lac tonnes in 2013. With the commissioning of Katni unit, the capacity has surged to 7 lac tonnes.

ESTABLISHING NEW CAPACITIES

In 2014, we set up a split grinding unit of 1.5 MnTPA at Jharli, Haryana with an investment of INR 400 crore. This facility has most modern machineries and necessary infrastructure required for seamless operation of the plant. Through this unit, we cater to major markets like Delhi, Haryana and Punjab more effectively.

In the same year, we established a 1.5 MnTPA brownfield Cement plant at Mangrol. Equipped with state-of-the-art machinery and systems, it is one of the most energy-efficient plants.

In 2014 only, we expanded our international footprint by commissioning a dual process plant at Fujairah (UAE), which produces both grey and White Cement. The plant has either an installed White Cement capacity of 0.6 MnTPA or Grey Cement capacity of 1.0 MnTPA.

Besides, we commissioned a Wall Putty plant in Katni on 26th May 2016 to keep in pace with the rising demand of Wall Putty.

MANGROL'S
CAPACITY HAS
INCREASED TO 2.25
MnTPA, ALONG
WITH 25 MW

Capability

TO MEET
CUSTOMER
ASPIRATIONS

At J.K. Cement, customers are at the core of our business. We consistently try to understand their requirements and subsequently meet them to create maximum value for customers.

We strive to focus on ensuring ultimate customer experience. We take relevant initiatives to understand our customer psyche, culture and habits, and subsequently, address their emerging needs. We have a reputation of being one of the best customer service providers in India's cement industry.

CONSISTENT INNOVATION

With the aim to deliver best-quality products to our customers, we invest immense time and resources in R&D activities. Our in-house R&D team is responsible for innovating new products, while developing the existing ones.

CUSTOMER TECHNICAL SERVICE CENTRES

Our Customer Technical Service (CTS) offices are located in every state capital of India and all major Indian cities. The team of CTS executives are trained and dedicated to resolving product-related customer issues in a prompt manner. The centres have conducted over 13000 different activities for architects, builders, contractors, engineers, masons, painters, applicators, retailers, dealers, stockists and civil & architect students, among others.

CUSTOMER SATISFACTION

Being a customer-centric company, we believe in resolving consumer grievances related to construction practices and applications of our products. We have a dedicated helpline number through which

consumers can register their product-related complaints to us. Consumers can also contact our executives in their respective areas directly, by taking their contact details from our website.

KEY INITIATIVES, FY 2015-16

During the year, we undertook the following initiatives to elevate customer experience:

- We conducted an opinion survey of our business organisers to understand their view on critical subjects associated with customer satisfaction. Based on their inputs, we have defined our action plan for FY 2016-17 to achieve customer satisfaction.
- We have conducted over 10,000 site visits for helping IHBs and influencers. We received 645 complaints during the year, of which 643 were resolved successfully. Going forward, we also plan to keep track of repeat purchase by any customer who has lodged complaint with us.
- We launched an android-based mobility tool, Sales Force Automation (SFA) tool, available with over 600 marketing personnel. It is used to capture customer profile and get a better understanding about our customers.

BEING A
CUSTOMER-
CENTRIC COMPANY,
WE BELIEVE
IN RESOLVING
CONSUMER
GRIEVANCES
RELATED TO
CONSTRUCTION
PRACTICES AND
APPLICATIONS OF
OUR PRODUCTS.

Credibility

THROUGH
STRONG
MARKETING
STRATEGY

A strong marketing strategy is integral to strengthening brand visibility and reach. We use mass media, personal communication as well as professional forums to enhance our brand visibility across customer sections, comprising channel partners, specifiers, applicators and end customers.

Stockists and Dealers Awareness Programme at Ranchi

We have carved a niche for our brands through various multifaceted marketing initiatives including 360-degree media campaigns, consumer contact programmes, online promotion and public relations, among others. We launched extensive campaigns to educate consumers, dealers and retailers about high-quality benchmarks; and also receive their insights to further improve product quality. To strengthen brand visibility, we also participate in exhibitions and seminars in crucial markets regularly.

PROJECT GOONJ

We launched a unique awareness campaign for masons called Goonj. Its primary objective was to create awareness among masons to increase productivity by focusing on best industry practices. Launched on 30th September 2015, it covered six states including Rajasthan, Haryana, Punjab, Western U.P., Madhya Pradesh and Gujarat. A fleet of vehicles with trained brand communicators and supported by customised audio visual ads were sent out for generating brand awareness among customers. Special focus was on empowering masons through Mason Meets.

SHUBHAARAMBH

The multi-city launch of J.K. PRIMAXX, aptly named Shubharambh started on the 8th October, 2015. Road shows and interactive sessions with painters and applicators were organised in Gujarat,

Uttar Pradesh and Maharashtra. On-ground activities focused on engagement programmes to interact with the target audience. The road show team visited labour chowks, dealer outlets and construction sites to engage with customers and make them aware of the new product.

ANNUAL DEALER CONFERENCE

Our annual dealer conference serves as an important platform to communicate with dealers, who are integral to our business. Our annual dealer conference for Grey Cement, themed Yodha, was a grand celebration of perseverance and winning spirit of our valued channel partners. Held in Delhi, Jaipur and Hyderabad, the meet covered 1500 channel partners spanning six days. Top performing dealers were felicitated for their outstanding contribution in their regions.

ANNUAL BUSINESS ORGANISERS MEET

We organised an annual meet for our business organisers to celebrate our partnership and acknowledge their achievements. Held at ITC Grand Bharat, Manesar, the meet not only included business discussions, but also some leisure activities. This opportunity helped us further strengthen our bonds with channel partners to enable the Company scale new heights of success.

CORPORATE SOCIAL RESPONSIBILITY

At J.K. Cement, we aim to create an environment that supports holistic development. We constantly strive to create value through our operations and initiatives and are committed towards the socio-economic development of communities. With the objective to give back to society, we undertake dedicated initiatives to help elevate the lives of marginalised sections.

We have a well-established CSR policy which reflects our objective of economic and social development. Our social initiatives impacted 25,000 people belonging to six *gram panchayats* and 32 villages, situated around our operational plants and 50,000 people of Nimbahera. During the year, we spent 464 lakhs towards CSR initiatives.

EDUCATION

Institutes founded by us, including Sir Padampat Singhania University, Udaipur and L.K Singhania Education Centre are actively contributing in promoting literacy and shape the future of the youth.

In FY 2015-16, we adopted secondary and higher secondary schools at five villages and supported the construction of two new rooms in the government school of Bamania village. We also provided furniture to government schools in Nimbahera. Besides, we provide financial support for the payment of guest faculty in the government school of Karunda. We distributed school uniforms and books in primary government schools of Mangrol. To encourage meritorious students, we distributed medals to students achieving more than 65% in board exams.

COMMUNITY HEALTHCARE

We organise regular blood donation camps and focus on community talks on the importance of practicing general

hygiene. During the year, in association with Shree Seva Sansthan, we organised a mega health check-up camp for seven days at the government college of Nimbahera. We conducted free medical camps in nearby villages of Nimbahera sub division. Besides, an eye camp was organised at the Government Referral Hospital, Nimbahera.

INFRASTRUCTURE DEVELOPMENT

During the year, we supported the construction of cement concrete roads in the villages of Malaikhera, Tilakhera, Arniya Joshi, Mangrol, Karunda and Pipliya, under public private model of operation. We have also supported the construction of community centres in Phacher Ahiran, Ahirpura Village and Charliya Village.

VOCATIONAL TRAINING & LIVELIHOOD PROMOTION

We focus on providing avenues of knowledge that help in sharpening the

skill set of communities. To address knowledge gap, we regularly conduct various awareness sessions and workshops. During the year, we conducted sessions on first aid and industrial safety. Besides, we organised a 'cattle breed improvement programme' in Jhajar district under the umbrella of J. K. Trust Rural Development Plan.

SANITATION

In line with the government's focus on improving sanitation throughout the country, we supported the construction of 350 toilets under the 'Swachh Bharat Abhiyan' campaign, during FY 2015-16.

ENVIRONMENTAL WELLBEING

We have always been proactive in reducing the impact of our operations towards the environment. During the year, we planted 24000 trees in and around our operational areas.

BOARD OF DIRECTORS

MR. YADUPATI SINGHANIA

aged about 62 years

**Chairman and Managing Director
(B.Tech from IIT, Kanpur)**

- Helped to evolve India's cement industry for over three decades
- Played a pivotal role in the introduction of international quality White Cement in India
- Director of the Employers Association of Northern India and Chancellor of Sir Padampat Singhania University, Udaipur
- President of Kanpur Productivity Council and member of the Board of Governors of the National Council for Cement and Building Material and Jodhpur Chamber of Commerce
- Member of the Managing Committee of Cement Manufacturers Association
- Deeply involved in social entrepreneurship.
- Member of Rotary Club

SMT. SUSHILA DEVI SINGHANIA

aged about 80 years

**Non-Executive Non Independent Director
(Graduate of Arts)**

- Scion of renowned Jalan family representing Surajmall Nagarmall group, famous industrial house
- Has keen interest in industry and commerce
- A Member of Managing Committee of Seth Anandram Jaipuria School, Kanpur, President of Juari Devi Girls Inter College, Kanpur and President of Juari Devi Girls Post Graduate College, Kanpur
- Has been actively associated with programmes for welfare and upliftment of economically weaker sections, children and women and also with religious activities
- Acting as Director of M/s. Yadu International Ltd. and M/s. G. H. Securities Limited

MR. ACHINTYA KARATI

aged about 70 years

**Non-Executive Independent Director
(Law Graduate from Calcutta University)**

- Served as Senior Advisor to ICICI Securities Limited and also with ICICI Prudential Life Insurance Company Limited
- Vast experience in finance and legal affairs, spanning over three decades
- Diverse expertise across commercial, legal and secretarial matters
- Retired as Country Head, Government and Institutional Solutions Group, ICICI Bank Limited (erstwhile Industrial Credit and Investment Corporation of India Limited) in March 2004
- Served as Deputy Zonal Manager (North) and Head of Major Client Group (North) in ICICI Limited

MR. JAYANT NARAYAN GODBOLE

aged about 71 years

**Non-Executive Independent Director
(B.Tech from IIT Mumbai, Certificate in
Financial Management)**

- Possesses a rich experience of over 4 decades in the field of conceiving, implementing and operating mega projects abroad
- He functioned as Chairman and Managing Director of IDBI in 2005 at the time of retirement. During his stints with IDBI and IIBI, he was responsible for corporate finance, restructuring and rehabilitation of sick units, venture capital, merchant banking and investors' relation
- Stabilised the Corporate Debt Restructuring (CDR) mechanism in India as the chairman of an empowered group

MR. K. N. KHANDELWAL

aged about 71 years

**Non-Executive Non-Independent
Director (Commerce Graduate and a
Chartered Accountant)**

- Served as President (Finance and Accounts) of Jaykay Enterprises Limited
- Commenced his career with J.K. Synthetics Limited in 1969

BOARD OF DIRECTORS (CONTD.)

**DR. K. B. AGARWAL**

aged about 76 years

**Non-Executive Independent Director
(Graduate of Law, PhD, ICWA and CS)**

- Rich experience in Finance, Accounts and Capital Market
- Former President of Merchants' Chamber of U.P. and U.P. Stock Exchange Limited
- Associated with FICCI and ASSOCHAM, and was also involved with various Government committees

**MR. PAUL HUGENTOBLER**

aged about 67 years

**Non-Executive Non-Independent
Director (Civil Engineer & Degree in
Economic Science)**

- A Swiss national, he joined Holcim Group Support Ltd as Project Manager in 1980
- He graduated in Civil Engineering from Swiss Federal Institute of Technology, Zurich and Economic Science from Graduate School of Economics and Business of St. Gallen
- Served as Holcim Ltd Area Manager for the Asia Pacific Region
- From 1999 to 2000, he also served as CEO of Siam City Cement (Public) Company Limited, headquartered in Bangkok, Thailand and till now he continues to be a Director
- Until his retirement in February 2014, he was appointed as a member of the Executive Committee at Holcim Ltd with the responsibility for South Asia and ASEAN except the Philippines
- He joined J.K. Cement Ltd as a Director w.e.f 17th May, 2014

MR. RAJ KUMAR LOHIA

aged about 61 years

**Non-Executive Independent Director
(Bachelor of Arts in Economics)**

- A leading industrialist of Kanpur
- 3 decades of rich experience in commerce and industry
- Director of the Company since 2004 and also on the Board of other companies
- Recipient of several awards including the Excellence Award 2005 for contribution in the field of entrepreneurship

MR. SUPARAS BHANDARI

aged about 70 years

**Non-Executive Independent Director
(Graduate of Science and Law)**

- Founder Chairman and Managing Director of Agriculture Insurance Company of India Limited with extensive insurance industry experience for more than four decades
- Served as the General Manager of Oriental Insurance Company of India Limited and Assistant General Manager of United Insurance Company of India Limited

MR. SHYAM LAL BANSAL

aged about 61 years

Non-Executive Independent Director (M. Com from Delhi University, B. Com from Shri Ram College of Commerce, New Delhi, and CA [Inter])

- Possess 39 Years of vast experience in the field of Banking and Finance in Public Sector Banks
- Superannuated as Chairman & Managing Director from Oriental Bank of Commerce
- Actively involved as an Executive Director in The Financial Inclusion Plan of United Bank of India in the whole of West Bengal and North East, as part of the Bank's responsibility as SLBC convener in Tripura and West Bengal; and Lead Bank responsibility in 10 districts in Assam
- Acting as Independent Director in NIIT Institute of Finance, Banking and Insurance Training Limited and IL & FS Tamil Nadu Power Company Limited
- Adding value through vast knowledge and experience in educational and commercial organisations

MANAGEMENT DISCUSSION & ANALYSIS

ECONOMY OVERVIEW

Global Economy

In 2015, economic activity across geographies remained largely subdued amid increasing financial market volatility, especially in the second half of 2015. Global growth declined from 3.4% in 2014 to 3.1% in 2015. As advanced economies had a modest recovery, on the contrary growth in emerging market and developing economies continued to decline. The US economy was supported by eased out monetary policies and the firming of housing and labour markets. The Euro area saw a strong recovery owing to its domestic demand. Chinese economy witnessed a gradual slowdown, as it moved away from investment and manufacturing toward consumption and services. Although countries like Brazil, Russia, and some countries in the Middle East are in economic distress, they are expected to show gradual improvements in the growth rate.

Indian Economy

In the midst of uncertain global economy, India remained one of the best-performing economies. According to Central Statistical Organisation, India's GDP grew by 7.6% in 2015-16, making it one of the fastest growing major economies in the world. The country's inflation remained under control and fiscal and current account deficits continued to be moderate.

The Reserve Bank of India (RBI) reduced interest rates four times this year as inflation eased sharply. Continuing fiscal consolidation has reduced the Government of India's fiscal deficit to close to 4% of GDP.

The year witnessed historically lowest price of crude oil which have direct impact on manufacturing cycle. However, this trend is not sustainable for long as CPI inflation is expected to decelerate modestly and is expected to revolve around 5% during FY 2016-17. The major uncertainties that are likely to throw inflation haywire is unseasonal uneven distribution of rainfall and upturn in commodity price especially crude oil.

Even though economy has made progress but still the same is not noticeable in our earnings due to low pick up of infrastructure activity arising from consecutive weak monsoon this year also.

Outlook

The economic growth will be visible only when series of structural reforms are taken by Central Government & Central intervention with regard to approval process would be brought under fast track to expedite investment activity with emphasis on fiscal and monetary policy. With 7th pay commission in pipeline and RBI rate cut, the same will allow more money with public leading to generation of demand.

THE CEMENT INDUSTRY

Grey Cement

India is the second largest producer of cement in the world. The country's cement industry is a vital part of its economy, providing employment to more than a million people, directly or indirectly. Ever since it was deregulated in 1982, the Indian cement industry has attracted huge investments, both from Indian as well as foreign investors.

India has a lot of potential for development in the infrastructure and construction sector and the cement sector is expected to largely benefit from it. If India needs to grow then cement and steel sector has to perform well to augur infrastructure story of 'Make in India' campaign. Driven by huge capacity with high capital cost and low capital utilisation, cement industry has to grow consistently to improve its triple bottom line performance i.e. socio-economic and financial indicators.

Industry performance

Cement demand growth has largely lagged the expectations during FY16 due to slow pick up in infrastructure projects as well as lack of demand from rural sector. Cement demand merely grew by 3% in FY16, compared to 5.6% in FY15. Low demand, coupled with excess capacity resulted in lower capacity utilisation. However, the demand and supply gap will exhaust once infrastructure project starts taking off.

Cement production (weight: 2.41%) increased by 4.4% in April, 2016 over April, 2015. Its cumulative index during April to March, 2015-16 increased by 4.7% over the corresponding period of the previous year.

The industry has transformed over the years and has developed in various ways. It has started using blended cement, alternate raw material and fuel to pave the path of green sustainable development. Besides, the industry has adopted innovative technology and improved its energy efficiency as well.

Industry Outlook

FY 17 is expected to witness a spurt in cement demand, primarily driven by Government-backed projects. The concretisation of kuccha roads to pucca road in rural and semi-urban areas and introduction of metro projects in developing cities will contribute to the growth of cement industry. Besides, Swachh Bharat Mission entails the construction of toilet in each household. Moreover, Atal Mission for Rejuvenation and Urban Transformation (AMRUT), the Government's new initiative to develop smart cities as satellite towns of larger cities augurs well for the cement sector.

The reduction of interest rate by RBI and the Government decision to allow more foreign direct investment in real estate sector will further help the real estate sector to drive cement demand.

The demand for cement in real estate sector is spread across rural housing (40%), urban housing (25%) and construction/infrastructure/industrial activities (25%). While the rest 10% demand is contributed by commercial real estate sector.

Cement demand is expected to reach 550-600 Million Tonnes Per Annum (Mntpa) by 2025. The housing sector is the biggest demand driver of cement, accounting for about 67% of the total consumption in India. The other major consumers of cement include infrastructure at 13%, commercial construction at 11% and industrial construction at 9%.

To meet the rise in demand, cement companies are expected to add 56 million tonnes capacity over the next three years.

White Cement

White cement is expected to grow at a CAGR of 3.8% in between 2015 and 2020, and its existing global demand stands at 18.9 Mntpa. Though it accounts for only 0.5% of Grey Cement capacity but it enjoys greater acceptance from cement producers being a consistent margins provider to top and bottom line of the company.

Global White Cement consumption is almost equal to global White Cement production. The White Cement market is dominated by China, which consumes 26% of global White Cement consumption. It is followed by the Middle East, consuming 21% and rest of Asia (excluding China) accounts for 12% cement consumption.

The global White Cement capacity in 2015 was around 28.6 Mntpa of which 24% is located in China. India is ranked as one of top five emerging markets of White Cement. India's White Cement industry is primarily dominated by two players, holding 83% of the existing capacity.

J.K. Cement is ranked as the third-largest producer of White Cement in world having 1.2 Mntpa capacity, out of which 0.6 Mntpa is located in Fujairah (U.A.E).

GROWTH DRIVERS

Infrastructure growth

Infrastructure growth in India is still in its early stage. With only 73% of capacity utilisation, the demand stood at 284 Mntpa as against the supply of 384 Mntpa during FY 2015-16. If the rate of growth of consumption remains low at 5-6%, the existing capacity would be sufficient to meet the cement demand for 5 years.

The Government efforts to propel the infrastructure sector with higher spending on roads and highways, irrigation and push to 'Housing for All' schemes will boost the cement demand. In the Union budget, total outlay for infrastructure sector is pegged at ₹ 221246 crores in FY 16-17. Besides, ₹ 7296 crore has been allocated for the development of smart cities as satellite town of larger cities under Urban Rejuvenation Mission (AMRUT and Mission for Development of 100 Smart Cities). Further, the Government has allocated ₹ 19,000 crore for the rural roads programme called Pradhan Mantri Gram Sadak Yojana.

Inflation

The inflation is under control and will remain so owing to good monsoon, after two consecutive droughts. The El-Nino situation developed in last two years resulted in drought in most part of India.

However, IMD expects that the current year will witness 'above normal' monsoon. This will help to ease inflation and in turn, will create demand for cement.

Rate of Interest

The Reserve Bank has announced drastic cut in repo rates from 8 % in Jan'14 to 6.5% in Apr'15. The lower borrowing cost will increase buying appetite of consumers to purchase or construct new house. This will accelerate the demand for the real estate including low-cost or affordable housing.

INDUSTRY RISKS

Economic Risk

Cement industry is dependent on macro-economic condition of the country. Government initiatives largely impact this industry's growth. Due to the slowdown in economic or infrastructure development activities, cement demand may get adversely affected, thereby putting a pressure on the selling price of cement.

Industry Risk

At present, the country's cement capacity is 384 Mntpa. In FY 2015-16 cement demand has increased from 276 Mntpa to 284 Mntpa, thereby registering growth of 3% only, if this rate of growth continues in FY 2016-17 then the gap between demand and supply will increase thereby putting pressure on margins.

Another risk, which industry is facing is the consolidation of cement capacity in the hands few large players. This will allow them to run the market on their own whims and putting mid-size player at back end.

Infrastructure Risk

Infrastructure sector propels overall development of the economy. Any pull back by Government initiative on 'Make in India' campaign or 'Swachh Bharat Abhiyan' will result in de-growth of cement industry. Moreover, too many regulatory approvals and compliances by industry, act as a barrier for infrastructure growth.

Raw Material Risk

The basic raw material for Portland cement is limestone. The existing miners will have to pay 30% of the royalty as contribution towards the proposed district mineral foundations (DMFs), which is meant to support project-affected people, while those who would get mines through the auction route now would have to pay just 10% of royalty.

Besides, with changes in Mines & Mineral (Development and Regulation) Amendment Act, 2015, any lease granted before the commencement of the Act, for captive use is extended up to the period ending on Mar 31, 2030 or till completion of their renewal period, whichever is later. The MMDR Act also allows transfer of captive mining lease not granted through auction. This will open door for deals, which are pending for acquisition.

From now onwards, all mining lease will be granted by the process of auction/bidding. The act also gives the right of first refusal to the existing leaseholder at the time of auction by placing the highest bid for mines used for captive purpose. This will increase the cost of basic raw material for existing players.

Fuel Risk

Cement industry is dependent upon linkage coal for fulfilling its fuel requirement. Some Plants are also using pet coke as replacement of coal. Coal is also used by the industry for captive power generation. However, the price of coal and pet coke is highly volatile and is more or less dependent on international crude price. The major cost for cement production is power and fuel cost. Any increase in coal prices may have adverse impact on cost. Further, levy of clean energy cess of ₹ 200 per tonne on coal/lignite in budget of 2016-17 will increase power and fuel cost.

Logistic Risk

Efficient and effective utilisation of logistics results in managing both input and output resources prudently. With aggressive competition in market to reach end user, more and more cement players are targeting grinding units close to consumption location. Logistics play an important role in reducing cost and improving margin. However, due to less availability of rakes from railways, the only alternative left is dependence on road transport. Therefore, any increase in diesel cost may have adverse impact on logistic cost.

Taxation Impact on Industry

High taxes remain a major concern for cement industry. Though steel enjoys special privileges of being levied at lower rate, on the other cement is taxed at higher rate making it dearer than other raw material needed for infrastructure and real estate sector. This problem can be overcome by introduction of uniform tax regime under Goods & Service Tax. The Government is taking keen interest in getting cabinet approval on GST act and to get it passed by both the houses of the Parliament.

COMPANY OVERVIEW

J.K. Cement Ltd is an affiliate of the multi-disciplinary industrial conglomerate J.K. Organisation which was founded by Lala Kamalapat Singhania. With over four decades of experience, J.K. Cement has partnered India's multi-sectoral infrastructure needs on the strength of its product excellence, customer orientation and technology leadership. The Company is the third largest White Cement manufacturer in the world with 1.20 Mntpa capacity, including 0.6 Mntpa White Cement Plant at Fujairah, U.A.E. Besides, it is the second largest producer of Wall Putty in India with installed capacity of 0.7 Mntpa.

PERFORMANCE DURING THE YEAR

Financial review (standalone)

	FY 2015-16	FY 2014-15
Net Sales (in ₹ lacs)	353104	333731
EBITDA (in ₹ lacs)	51901	46381
PAT (in ₹ lacs)	10153	15692

Grey Cement

Grey cement registered a growth of more than 9% in production volume over last year. North contributed more than 14% in volume, whereas South registered de growth of 2%. This is over and above industry growth of 3% for FY 16.

White Cement

White Cement registered a growth of more than 2% over last year, whereas White Cement based Wall Putty registered a growth of 22% over the previous year, resulting in 95% capacity utilisation of Wall Putty. As the existing capacity of Wall Putty is almost utilised, capacity expansion of Wall Putty in Katni has been commissioned in May'16 to feed the incremental market demand.

Key Highlights, FY 2015-16

- Demand outlook in north has improved. New plants have started achieving higher utilisation level. Benefits of grinding units, railway siding and pet coke price softening have been percolating in cost moderations.
- Demand and pricing scenario in middle-east for UAE White Cement plant is subdued. Power connectivity from Apr'16 is expected to lead normalisation of profitability.
- Pricing in north has been inexplicably low throughout the year. However, upward trend has started from March onwards.
- Accident in southern plant has led to stoppage of work for 15 days resulting in 5% lower dispatches.

HUMAN RESOURCES DEVELOPMENT

We take our commitment to building a world-class organisation by undertaking a Business Process Re-engineering exercise that seeks align our Human Resources Vision with that of J.K. Cement. We are currently evaluating the areas of focus for taking our organisational capabilities to the next level in preparation for future growth, and will soon embark on a journey to implement the same.

The strength of our organisation continues to be the value-driven approach towards sustaining the respect that our organisation that it receives for being an ethical employer.

We continue to evaluate our talent needs and strive to develop the competency and capability of our people across levels.

We continue to build on our reputation as a leader and pioneer in White Cement Manufacturing technology and product innovation. Our focus on building our talent as the foundation of future business growth is the driving force behind ongoing efforts to develop as well as induct world-class talent across the industry as well as the globe.

We continue to refine our established people processes to keep them abreast of the foremost global practices while keeping our organisation contemporary and motivating our employees to align themselves with the organisational objectives. Besides, continuous improvements as a part of ongoing change in management initiatives are aimed at building a future-ready organisation.

As on March 31, 2016 the strength of J.K. Cement is 2745 employees.

SUSTAINABILITY REPORT

At J.K. Cement, our endeavour is to highlight how as an organisation we are constantly improving upon our environmental footprint and contributing towards more inclusive growth of the society in which we operate, besides delivering on the economic front.

We are building a sustainable environment for our future generation by giving back to the nature and society. We want to help all people who are directly or indirectly associated with us.

At J.K. Cement, our focus is to take initiatives which will help us reduce environmental de-gradation and improve climatic condition in the long run. Moreover, we are also taking steps to optimise resources and improve efficiencies.

OCCUPATIONAL HEALTH & SAFETY

We believe in 'Zero Harm'. Our vision is to improve health and safety standards of people who are working with us in the capacity as employees, contractors or in any other role. Efforts are taken to minimise activities which may affect the health and safety in working place or adversely impact the life of communities living near our plants. To promote this, we are encouraging the use of renewable resources as well as recycled waste. Further, steps are taken for optimum utilisation of plants, with least disposal of harmful gases in environment.

INTERNAL CONTROL SYSTEM

The Company has in place well defined internal control system to commensurate with the size of the Company and same were operating effectively throughout the year. The Internal audit is being carried out by team of both external as well as in house auditors be at plant location, sales depot or at regional or registered office. In order to maintain its independence and objectivity in observation, Internal Audit department report on the efficacy and adequacy of internal control system to the Chairman of Audit Committee of the Board. These keep check on the existing system as designated process owners are supposed to undertake corrective action in their respective areas and thereby strengthening the internal control system.

DIRECTORS' REPORT

Dear Members,

Your Directors have pleasure in presenting Company's Twenty Second Annual Report and Audited Financial Statements for the year ended 31st March, 2016.

1. FINANCIAL RESULTS

	2015-16	₹/lacs
Gross Turnover	409780	385948
Profit before depreciation & tax	29941	29575
Less Depreciation	15628	13660
Profit Before Tax	14313	15915
Tax Expense (Including deferred tax and tax adjustment of earlier years)	4159	223
Profit After Tax, Minority interest	10154	15692
Add: Balance brought forward from previous year	48929	42236
Less: Appropriation		
Transfer to General Reserve	3000	4000
Transfer to Debenture Redemption Reserve	1582	1633
Dividend to Equity Shares (including tax thereon)	3367	3367
Balance to be carried forward	51134	48929

2. PERFORMANCE OF THE COMPANY

Your Company's performance during the year under report has been satisfactory. The Company's gross turnover increased by 6% to ₹ 4098 crore during the year compared to ₹ 3859 crore in previous year. Profit before Depreciation & Tax increased to ₹ 299 crore compared to ₹ 296 crore.

3. PERFORMANCE OF THE SUBSIDIARY/ ASSOCIATE SUBSIDIARY COMPANIES

The Company has three subsidiaries and one joint venture Company as on March 31, 2016. There has been no material change in the nature of the business of subsidiaries.

J.K. Cement (Fujairah) FZC recorded a loss of AED 49,317 (equivalent to ₹ 8.90 lacs) for the year ended 31st December, 2015 (Previous year loss of AED 48,821 equivalent to ₹ 7.90 lacs)

J.K. Cement Works (Fujairah) FZC recorded a loss of AED 28,312,829 (equivalent to ₹ 4089.41 lacs) for the year ended 31st December, 2015 (Previous year loss of AED 18,620,471 equivalent to ₹ 1489.77 lacs)

Jaykaycem (Central) Ltd. recorded a loss of ₹ 12,444 (previous year ₹ 11,440) for the year ended 31st March, 2016.

Associate Company

Bander Coal Company Private Limited
This Company recorded a loss of ₹ 16.55 lacs for the year ended 31st March, 2016 (Previous year loss of ₹ 2.89 lacs)

4. CONSOLIDATED FINANCIAL STATEMENTS

The statement as required under Section 129 of the Companies Act, 2013, in respect of the subsidiaries of the Company viz. J.K. Cement (Fujairah) FZC, J.K. Cement Works (Fujairah) FZC and Jaykaycem (Central) Ltd. is annexed and forms an integral part of this Report. Consolidated Financial Statements prepared in accordance with relevant Accounting Standards viz AS-21 and AS-27 issued by the Institute of Chartered Accountants of India, form part of the Annual Report and Accounts.

5. DIVIDEND

Your Directors are pleased to recommend dividend of ₹ 4 per equity share of face value of ₹ 10 each aggregating to ₹ 33.67 crore (Previous Year ₹ 33.67 crore) for the financial year ended 31st March, 2016 which is similar to the financial year ended 31st March, 2015.

6. TRANSFER TO RESERVES

The Company proposes to transfer ₹ 1583 lacs to Debenture Redemption Reserve and ₹ 3000 lacs to General Reserve during Financial Year 2015-16.

7. SHARE CAPITAL

The paid up Equity Share Capital as at 31st March, 2016 remained at ₹ 69.93 crore. During the period under report, your Company has not issued any share including Sweat Equity, ESOP and/or Convertible Debentures.

8. FINANCE

During the year under report, your Company has availed disbursement of term loans of ₹ 374.10 crore from various Banks and repaid ₹ 148.64 crore on this count. In May 2015, your Company has raised ₹ 100 crore through 9.65% - 1000 privately placed Secured Redeemable (after 7th/8th/9th/10th years) Non-Convertible Debentures (NCDs) of ₹ 10,00,000 each for cash at par to Institution which is listed with wholesale debt segment of BSE Limited.

9. CREDIT RATING

In spite of challenging cement industry scenario, CARE has reaffirmed your Company's rating as "CARE AA-" for long term bank facilities and "CARE A1+" for short term bank facilities.

10. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS BY THE COMPANY

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the Notes to the Financial Statements.

11. OPERATIONS**Grey Cement**

During the year under report production increased by 9.4% at 6.89 Million Tonne (compared to 6.30 Million Tonne last year) and sales increased by 9.19% at 6.86 Million Tonne (compared to 6.29 Million Tonne last year).

White Cement

Production of White Cement increased by 2.49% at 5.01 Lac Tonne during the year compared to 4.89 Lac Tonne while production of value added product Wall Putty registered increase of 22%. Sale was also in tandem with production.

12. PROJECTS OF THE COMPANY**Projects Completed**

During the year under report, your Company has completed 1st phase implementation of a White Cement based Wall Putty project of 2 Lac Tonne per annum capacity in Madhya Pradesh. Commercial Production started on 26.5.16.

13. PERSONNEL**13.1 Industrial Relations**

The industrial relations during the period under review generally remained cordial at all cement plants.

13.2 Particulars of Employees

List of employees getting salary in excess of the limits as specified under the provisions of Section 134 of the Companies Act, 2013 read with Companies (Appointment & Remuneration) Rules 2014 throughout or part of the financial year under review is annexed separately marked as Annexure - F. However, the Annual Report excluding the aforesaid information is being sent to all the members of the Company pursuant to proviso to Section 136 of the Companies Act, 2013. Any member interested in obtaining such particulars may inspect and/or send the request to the Company at its Registered & Corporate Office. None of the employee listed in the said Annexure is a relative of any Director of the Company except Shri Yadupati Singhania, Chairman and Managing Director. None of the employee hold (by himself or along with his spouse and dependent children) more than two percent of the equity shares of the Company.

The information required pursuant to Section 197(12) read with Rule 5(1) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Companies (Particulars of Employees) Rules, 1975, in respect of employees of the Company and Directors is furnished hereunder:

Particulars about Key Managerial Personnel including Chairman & Managing Director.

S.No.	Name	Designation	Remuneration Paid		Increase in Remuneration from Previous Year	Ratio/Time per Median of employee Remuneration
			2015-16	2014-15

13.3 Human Resources and Industrial Relations

The Company has a structured induction process at all locations. Objective appraisal systems based on Key Result Areas (KRAs) are in place for Senior Management Staff. The Corporate HR is effectively involved in nurturing, enhancing and retaining talent through job satisfaction, management development programme, etc.

14. SIGNIFICANT AND MATERIAL ORDER PASSED BY THE REGULATOR(S) OR COURT(S)/MATTER OF EMPHASIS

The Competition Commission of India ('CCI'), on the complaint filed by Builders Association of India on the ground of alleged contravention of Competition Law, in Case No. 29/2010, passed an Order dated 20.6.2012 imposing total penalty of ₹ 6307 crore against Cement Manufacturers Association and 11 Cement Companies including ₹ 128.54 crore on your Company. Aggrieved by CCI's Order your Company preferred stay petition and appeal before the Competition Appellate Tribunal ('COMPAT'). COMPAT has, by its order dated 11th December, 2015, set aside order dated 20th June, 2012 passed by CCI. COMPAT has remitted the matter to CCI for fresh adjudication. Further, in terms of the order, the Company has received refund of ₹1285 lacs, being 10% amount of penalty, alongwith accumulated interest deposited with COMPAT.

No significant or material order has been passed by the Regulator or Courts or Tribunals which impact the going concern status and Company's operations in future.

15. CORPORATE GOVERNANCE

A report on Corporate Governance alongwith the Auditors' Certificate on its compliance, forms an integral part of this Report.

16. PUBLIC DEPOSITS

Your Company has not invited any deposits from public/ shareholders under Section 73 and 74 of the Companies Act, 2013.

17. WHISTLE BLOWER POLICY/VIGIL MECHANISM

The Company has a Whistle Blower Policy to report genuine concerns or grievances, if any. The Whistle Blower Policy has been posted on the website of the Company.

18. MITIGATION OF RISK.

The Company has been addressing various risks impacting the Company which is morefully provided in annexed Management Discussion and Analysis. However, as per the Listing Regulation constitution of Risk Management Committee for enforcing Risk Management Policy is not applicable to the Company.

19. REMUNERATION POLICY

The Board of Directors has, on the recommendation of the Nomination & Remuneration Committee, framed a policy which lays down a framework concerning remuneration of Directors, Key Managerial Personnel and Senior Management of the Company. The Policy also covers criteria for selection and appointment of Board Members and Senior Management and their remuneration. The Remuneration Policy is stated in the Corporate Governance Report.

20. RELATED PARTY TRANSACTIONS:

All the related party transactions are entered on arm's length basis, in the ordinary course of business and are in compliance with the applicable provisions of the Companies Act, 2013 and the Listing Regulations. There are no materially significant related party transactions made by the Company with Promoters, Directors or Key Managerial Personnel etc. which may have potential conflict with the interest of the Company at large or which warrants the approval of the shareholders. Accordingly, no transactions

are being reported in Form AOC-2 in terms of Section 134 of the Act read with Rule 8 of the Companies (Accounts) Rules, 2014. However, the details of the transactions with Related Party are provided in the Company's financial statements in accordance with the Accounting Standards. All Related Party Transactions are presented to the Audit Committee and the Board. Omnibus approval is obtained for the transactions which are foreseen and repetitive in nature. A statement of all related party transactions is presented before the Audit Committee on a quarterly basis, specifying the nature, value and terms and conditions of the transactions. The statement is supported by the certificate from the CMD and the CFO. The Related Party Transactions Policy as approved by the Board is uploaded on the Company's website at www.jkcement.com.

21. AUDITORS' REPORT

Your Company prepares its financial statements in compliance with the requirements of the Companies Act, 2013 and the Generally Accepted Accounting Principles (GAAP) in India. The financial statements have been prepared on historical cost basis. The estimates and judgements relating to the financial statements are made on a prudent basis, so as to reflect a true and fair manner, the form and substance of transactions and reasonably present the Company's state of affairs, profits and cash flows for the year ended 31st March, 2016.

Auditors' Report to the shareholders does not contain any qualification in the standalone or in the consolidated financial statements for the year under report.

22. INTERNAL FINANCIAL CONTROLS AND ITS ADEQUACY

The Board has adopted policies and procedures for ensuring orderly and efficient conduct of its business including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of Frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial disclosures.

The Company's internal control system is commensurate with its size, scale and complexities of its operations. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control system and suggests improvements to strengthen the same. It also reviews the quarterly Internal Audit Reports.

23. DIRECTORS AND KEY MANAGERIAL PERSONNEL.

ANNEXURE A

SECRETARIAL AUDIT REPORT

For the financial year ended 31st March, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
J. K. CEMENT LIMITED
Kamla Tower Kanpur.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by J.K. Cement Limited (“the Company”) having its registered office at Kamla Tower, Kanpur, U.P. and manufacturing units at (i) Kailash Nagar, Nimbahera, Dist. Chittorgarh, Rajasthan, (ii) Mangrol, Dist. Chittorgarh, Rajasthan, (iii) Gotan, Dist. Nagaur, Rajasthan, (iv) Muddapur, Dist. Bagalkot, Karnataka, (v) Jharli, Dist. Jhajjar, Haryana, (vi) Village: Rupand, Tensil- Badwara, Dist. Katni, M.P. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

Based on our verification of books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2016, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2016 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment etc;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (vi) Following other laws are applicable specifically to the company

ANNEXURE A (CONTD.)

- a) Factories Act, 1948;
- b) Industries (Development & Regulation) Act, 1951;
- c) Laws prescribed related to mining activities;
- d) Labour Laws and other incidental laws related to labour and employees appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, ESIC, compensation etc;
- e) Laws prescribed under prevention and control of pollution;
- f) Laws prescribed under Environmental protection;
- g) Laws prescribed under Direct Tax and Indirect Tax;
- h) Land Revenue laws of respective States;
- i) Labour Welfare Laws of respective states;
- j) Local laws as applicable to various offices, plants, grinding stations and bulk cement terminals. We have also examined compliance with the applicable clauses of the following:
 - (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
 - (ii) The Listing Agreements entered into by the Company with the Bombay Stock Exchange and National Stock Exchange of India Ltd.

During the period under review the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned here in above. We have relied on the representation made by the Company and its officers for systems and mechanism formed by the Company for compliances under other Act, Laws and Regulations to the Company.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

ANNEXURE C

PARTICULARS OF ENERGY CONSERVATION, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO REQUIRED UNDER COMPANIES (ACCOUNTS) RULES 2014 PURSUANT TO SECTION 134(3) (M) OF THE COMPANIES ACT, 2013 READ WITH RULE 8(3) OF THE COMPANIES (ACCOUNTS) RULES 2014.

A) ENERGY CONSERVATION

During the year 2015-16, J.K.Cement Ltd. took up following reduction measures with focus to reduce power and thermal energy consumption.

Areas of concentration were

- Process Optimisation.
- Installation of Variable Frequency drives to improve efficiency and the same time reduce power consumption.
- Acement and upgradation of old power consuming system with latest state of art energy efficient equipment where possible.

PROCESS OPTIMISATION

Through process optimisation at all plants, the company has saved ₹ 71,348,156 by reducing 5846654 kwh of electricity and 183854 Gega Joules of thermal energy with mere expenditure of ₹ 12,46,000 which means payback period of less than one month. Major Process optimisation measures are as under:

	Savings (in ₹)
1 Process optimisation for thermal energy conservation. [Line-1]	15900000
2 Process Optimisation of Kiln 2 system by reduction in false air/excess air	22400000
3 Replacement of old Reciprocating compressors by new energy efficient Screw compressor [L-1]	124180
4 Downsizing various motors for power saving	965250
5 Optimum Utilisation of Water pumps	1440450
6 Optimisation of Raw Mill operation	20000000
7 Through Put Improvement from 240 TPH to 265 of roller press	8952232
8 Optimisation of Bag Filters Operation	596815
9 PID Modification and Stoppage of Idle running of Silo ventilation Fan	515649
10 PID Modification and stoppage of HT Motor Cooling Fan	238726
11 PID Modification and Stoppage of Idle running of Silo Top bag Filter Fan	214854

Installation of Variable Frequency Drive

In a process industry, operational conditions keeps on changing depending upon the process variables and thus to maintain uniform and smooth running of the system, it becomes essential to control air flow, motor speed, fan speed with the changing conditions. There are various ways to do so and among them the best technology is to vary the speed according to the demanding situation as it gives maximum saving in power consumption and can be automated. With installation of variable frequency drive, company saved 1857870 kwh resulting to savings of approximately ₹ 98,80,005 with investment of

ANNEXURE C (CONTD.)

₹ 82,35,743 giving payback of ten months. Major steps taken by the Company are as under:-

	Savings (in ₹)
1 Installation of VFD in CEP-2 thereby improving the performance of the pump [IR-CFBC]	1039500
2 Installation of VFD & Removing of damper in Ball mill vent fan -228 thereby avoiding damper loss & improve performance of fan(Line-2)	467845
3 Installation of VFD in CEP-2 thereby improving the performance of the pump [WHRB]	300000
4 Installing VFD for 315 KW Wagon tippler Bag House	2387262
5 Installing VFD for cement Mill 110 KW	716179
6 Installing VFD for SAC 160 KW	596815
7 Installing VFD for NIBS Trab	119363
8 Installing VFD for Gravel Gate	119363
9 Installation of VFD drive in PA fan at Captive Power plant (CPP)	133678
10 VFD(variable frequency drive) installed in various drives (Cement Plant & CPP)	400000

Installation of Energy Saving Equipments

During the year major drive taken to replace conventional & CFL lights by LED lights as well as installation of solar panels (green power) at roof top for power requirement of administrative building at our Gotan plant and mines office. This has saved 548581 kwh power consumption giving savings of around ₹ 54,30,749. Major steps taken by the Company for savings are as under:-

	Savings (in ₹)
1 Replacement of 123 Nos. 250 Watt HPSV Light by 90 Watt LED Street Light	382580
2 Replacement of 110 Nos. 250 Watt HPSV Light by 30 Watt LED Street Light	470448
3 Replacement of 65 Nos. 250 Watt HPSV Light by 150 Watt High Bay LED	315900
4 Replacement of 113 Nos. 250 Watt HPSV Light by 150 Watt Halogen LED	549180
5 Replacement of 175 Nos.70 Watt HPSV Well Glass light by 40 Watt LED Well Glass	102060
6 Replacement of 26 Nos. 2X36 Watt false Ceiling CFL Light by 2X18Watt LED	18196
7 Replacement of 50 Nos. 250 Watt HPSV Light by 70Watt LED Street Light	174960
8 Replacement of Old CFL/Metal Halide/HPSV lightings by LED lighting	803657
9 Installation of 25 KVA Energy Saver Panel Qty-2 Nos	10800
10 Installation of 90 KVA Energy Saver Panel	10800
11 Installation of 20 LED lights of 9 Watt in Place of 36W CFL lighting at Plant road (walkways)	4104
12 Installation of 4 LED lights of 60 Watt in place of 400 Watt metal halide lights at putty plant	18700
13 Installation of 17 LED lights of 40 Watt in Place of 72W CFL lighting at 3.3 KV substation	7964
14 Installation of Solar Power system at Mines Weigh Bridge	1500
15 Installation of energy efficient Screw Blower in place of Reciprocating compressor	1500000
16 Solar Power system at New Admin Building (125 KW)	825000

B) TECHNOLOGY ABSORPTION AND R&D ACTIVITIES

Process upgradation with Technology Upgradation along with R&D activities is important for development of an industry and to be ahead of the competitors as it results to Quality Improvement, improvement in efficiency as well as cost saving.

The company has taken up technology upgradation and R&D activities in the areas of Quality Control, Process Improvement and Energy Management and some of the major ones are

- Installation of decoloriser at Kiln outlet for White Cement Plant, Gotan. This will give 100% usage of petcoke with fuel saving as well as better operational control and quality improvement.
- Heat Exchanger has been installed at White Cement Plant, Gotan to use waste heat for energy conservation.
- Energy Management System has been installed at Gotan Plant which will optimise power consumption with respect to operation and will give long term savings.

Expenditure on R &D

The Research & Development activities are carried out by our own team under the advice and consultancy of foreign consultant. Apart from regular expenditure on research activities debited to profit & loss account under different heads, the company has paid contribution of ₹ 51.60 lacs to Research Institutes for carrying out research and development work related to Company's products.

Sl. No	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
7.	Has the policy been formally communicated to all relevant internal and external stakeholders?	Yes, policies and practices have been communicated to concerned stakeholders as per their applicability.								
8.	Does the Company have in-house structure to implement the policy/ policies?	Yes								
9.	Does the Company have a grievance redressal mechanism related to the policy/policies to address stakeholders' grievances related to the policy/policies?	Yes. Company has a Whistle Blower Policy with grievance redressal mechanism for stakeholders to raise their grievances.								
10.	Has the Company carried out independent audit / evaluation of the working of this policy by an internal or external agency?	Yes. Checks and balances are in place for ensuring strict compliance to various company policies and practices.								

3. Governance related to BR:

- **Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.**

JKCL inspires to become a recognised sustainable brand name in India and globally. In this regard, as part of our regular compliance and legal reviews, company also evaluates sustainability related risks. Further, sustainability performance is evaluated and compiled annually as part of stand-alone sustainability reporting exercise, data for which is externally assured by an independent third party. Outcomes of the above mentioned initiatives are presented to our management team and Board for their information and consideration, allowing them to review company's sustainability performance on continual basis, at least once annually.

- **Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?**

JKCL has been publishing a stand-alone sustainability report since FY 2013-14 based on Global Reporting Initiative (GRI) guidelines. The latest report was released for FY 2014-15, based on GRI G4 guidelines and can be accessed at the following link: <http://www.jkcement.com/pdf/jk-sustainability-2014-15.pdf>

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

- Does the policy relating to ethics, bribery and corruption cover only the Company? Does it extend to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others?**

Our Board, senior management, shareholders, employees and other stakeholders, including business partners, has all helped us to take required steps to conduct our operations

in an ethical manner. We strongly oppose illegal labour practices. Exploitation of children and child labour is strictly prohibited at all our plants and offices. Further, we do not work with any supplier or contractor known to operate with unacceptable labour practices such as the exploitation of children, physical punishment, female abuse, involuntary servitude or any other form of unacceptable behaviour.

We have a detailed Code of Ethics and Business Conduct that outlines our commitment on conducting our business in accordance with the applicable laws, rules and regulations with the highest standards of business ethics. Further, the Code of Conduct intends to provide guidance and help in recognising and dealing with ethical issues in daily business operations. A copy of our code of conduct is available on the company's website www.jkcement.com.

The code provides avenues and procedures to report unethical conduct, and to help foster a culture of honesty and accountability. The Code is applicable for all members of the organisation. Further, we have adopted a Whistle Blower Policy which empowers any person associated with the organisation to file a grievance if he/ she notice any irregularity. A proper mechanism has thus been established for the employees to report to the management about unethical behaviour, actual or suspected fraud or violation of the Company's code of conduct or ethics policy. Special considerations are given to ensure that the whistle blower processing any closure is not victimised for doing so.

- How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

JKCL received 21 shareholder complaints during the FY 2015-16. Additionally NIL complaints were pending from previous financial year. Of these, 21 complaints were successfully resolved during the year as on 31st March 2016.

ANNEXURE E (CONTD.)

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

1. List up to three of your products or services whose designs have incorporated social or environmental concerns, risks and/ or opportunities.

- a. Cement
- b. Putty
- c. Water Proofing

At JKCL, we strive to integrate responsible environmental practices into business operations that can add value in terms of environmental capital, financial profitability, and inclusive growth, and have taken adequate measures towards the same. We consciously aim to mitigate environmental impacts due to our business operations and follow precautionary approach wherever we suspect that the risk of our actions might cause harm to environment. For instance at our Karunda and Tilakhera Limestone mine, in FY 2015-16, we invested in green belt development, dust suppression and control, compaction of haul roads, monitoring of environmental parameters, socio-economic development.

We are aiming for responsible use of natural resources, reduction in air emissions, targeted investments in viable technologies that promise profitable growth and corporate ethics that extend beyond compliance with the law and focus on integrity. Further, we invest in process equipment and systems intended for economical use of energy and reducing the impacts of our cement manufacturing activities. In this regard, we have implemented a fully integrated EHS management system in our manufacturing plants, which are certified by the internationally recognised ISO-9001, ISO-14001 and OHSAS-18001 standards. Also, we ensured state-of-the-art machinery and equipment was installed at our newly commissioned plants for ensuring minimum impact on environment.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material and so on) per unit of product (optional):

- i. Reduction during sourcing / production / distribution achieved since the previous year throughout the value chain.
- ii. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

At JKCL we are continually encouraging the manufacturing of eco-efficient blended cements which do not consume as much raw materials and natural resources as normal OPC. In this regard we are investing significant time and effort towards research & development activities. Further, we are closely monitoring and working on improving our resource,

raw materials, energy, water, waste and emissions footprint as part of our manufacturing processes.

We make efforts to use recycled materials as inputs for our processes, wherever possible and viable. Here, fly ash and slag are two commonly used recycled materials in our manufacturing process. Our focus lies on increasing the use of fly ash and slag in our Grey Cement manufacturing, resulting in increased consumption of these materials on absolute and on per ton of Grey Cement basis. During FY 2015-16, we saw an increase in use of recycled and alternate raw materials in the manufacturing of Grey Cement.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Besides, provide details thereof in about 50 words or so.

Majority of JKCL's raw material, i.e. primarily limestone, is sourced (mined) and transported from company owned mines from nearby areas, through bulk carrier dumper trucks or through conveyer belts, thus limiting our sourcing and transportation impacts. Here, company's code of conduct, human rights aspects, procedures and practices are strictly followed.

Although currently the company does not has dedicated policy for sustainable sourcing, however, it is taking steps for promoting sustainable sourcing practices as feasible and applicable, including procurement of some other raw materials, indirect materials and services.

4. Has the Company taken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve the capacity and capability of local and small vendors?

We believe in the Indian growth story and are contributing directly in terms of taxes and through indirect economic development. With expansions in our existing facilities, we are contributing significantly towards direct and indirect impact on country's economy by providing more employment opportunities for the local population and creating more business prospects for local businesses as well. We always prefer to source our raw materials, spares and equipment locally i.e. within India. Only in exceptional cases, wherein our expectations are not met within the local market or due to lack of availability of required product or services, we procure from outside India.

5. Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling them (separately as <5%, 5-10%, >10%)? Besides, provide details thereof in about 50 words or so.

The wastes arising from our manufacturing processes are disposed-off responsibly through means such as selling to recyclers or to authorised third party vendors. The disposal of generated waste is strictly as specified by the Government of India and Pollution Control Board norms of the respective regions. The major hazardous waste categories generated and disposed through our plants included used oil and oil contaminated waste. Similarly, we also generated non-hazardous waste including metal scrap, paper scrap, plastic scrap, wood scrap, empty drums and other waste. These were again disposed through proper scrap vendors.

Principle 3: Businesses should promote employee well-being

1. Please indicate the total number of employees : 2745 Permanent Employees (as on 31st March, 2016)
2. Please indicate the total number of employees hired on temporary / contractual / casual basis

Category of employees	No of employees
Sub-contracted employees	3600

3. Please indicate the number of permanent women employees : 17 women employees in Head office, Corporate office and Marketing function (as on 31st March, 2016).

4. Please indicate the number of permanent employees with disabilities : One employee.

5. Do you have an employee association that is recognised by the Management?

Yes, there are recognised trade unions affiliated to various central trade union bodies. Company's Shop Floor Associates and office associates are members of their respective unions.

6. What percentage of your permanent employees is member of this recognised employee association? :

At J.K. Cement, none of our permanent employees are part of the recognised trade unions in our manufacturing plants, however, 21% of our total contractual across our manufacturing plants are member of the recognised employee associations.

7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending as on the end of the financial year.

S. No.	Category	No of complaints filed during the financial year	No. of complaints pending as on end of the financial year
1	Child Labour	Nil	Nil
2	Forced Labour	Nil	Nil
3	Involuntary Labour	Nil	Nil
4	Sexual Harassment	Nil	Nil

8. What percentage of your under mentioned employees were given safety and skill upgradation training in the last year?

- i) Permanent Employees
- ii) Permanent Women Employees
- iii) Casual/Temporary/Contractual Employees
- iv) Employees with Disabilities

ANNEXURE E (CONTD.)

S. No.	Category	Response
1	Permanent Employees	We undertake significant efforts to enhance our workforce skills levels through various learning and development programs. Various training types identified for and provided to our employees include functional, behavioural and Health Safety and Environment (HSE) trainings. We conduct in-house, on-the-job and external trainer led trainings for our employees. Here, Safety has been a key thrust area for JKCL. Basic safety induction and training is given to all employees upon their induction in the company. Further, at our manufacturing locations, specific safety trainings are provided to employees based on their job profiles, including for temporary and contractual workforce.
2	Permanent Women Employees	
3	Casual/Temporary/Contractual Employees	
4	Employees with Disabilities	

Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised.

1. Has the Company mapped its internal and external stakeholders? Yes / No

Yes. For J.K. Cement, maintaining relationship with stakeholders is a business imperative. Our business revolves around our stakeholders, right from suppliers to customers, shareholders to communities, government to our workforce and contractors.

2. Out of the above, has the Company identified the disadvantaged, vulnerable and marginalised stakeholders?

The company has mapped disadvantaged, vulnerable and marginalised stakeholders in and around our areas of its significant operations, and is actively working towards their inclusive growth as part of company's CSR efforts.

3. Are there any special initiatives undertaken by the Company to engage with the disadvantaged, vulnerable and marginalised stakeholders? If so, provide details thereof, in about 50 words or so.

JKCL runs initiatives in the areas of education, community hygiene, infrastructure development, livelihood support and vocational training and skill development, all directed towards helping our neighbouring communities, including disadvantaged, vulnerable and marginalised stakeholders, and being instrumental in cultivating their progress. To achieve the same, we have a well-established CSR policy which reflects our objective of economic and social development to create a positive impact.

Principle 5: Businesses should respect and promote human rights

1. Does the policy of the Company on human rights cover only the Company or extend to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others?

Company's Code of Conduct, Harassment and Whistle Blower Policies all cover aspects on human rights, and are applicable for all company employees and business partners including the contractors and suppliers.

2. How many stakeholder complaints were received in the past financial year and what percent was satisfactorily resolved by the Management?

In total 21 Complaints have been received from the Shareholders and all 21 Complaints have been resolved by the management successfully.

There were no complaints regarding breach of human rights aspects during the reporting period.

Principle 6: Businesses should respect, protect, and make efforts to restore the environment.

1. Do the policies related to Principle 6 cover only the Company or extends to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others?

JKCL's Health, Safety and Environment policies, rules and regulations are applicable for all stakeholders i.e. employees, contractors and other business partners, involved in JKCL's business activities.

2. Does the Company have strategies / initiatives to address global environmental issues, such as climate change, global warming and others? If yes, please give hyperlink for webpage and so on.

The sustainability of the cement and concrete industries is imperative to the well-being of our planet and to human development. With increasing population and urbanisation, demand for the natural resources in coming years is expected to increase rapidly. Therefore, organisations involved in the cement and concrete industries have the responsibility to generate lasting innovations to protect both the industries' future viability and the health of our environment. It is necessary for those involved in the cement and concrete industries to manage emissions, eliminate waste and take responsibility for the life cycle of their creations. With this philosophy in our mind, we constantly seek implementation of practices that satisfy the goals of sustainability in a holistic manner. Producing more and consuming less is the motto of our success, which is characterised by improvement in efficiency across all aspects. We believe that with this approach, we can

maintain progress by replacing the currently used resources with the one of an equal or better value without posing a threat to our environment. This will not only benefit our environment but also improve the living standards of our society. It will help nations progress, ensuring that they develop in a rapid yet sustainable manner.

At J.K. Cement, we strive to integrate responsible environmental practices into business operations that can add value in terms of environmental capital and financial profitability and have taken adequate measures towards the same. We consciously aim to mitigate environmental impacts due to our business operations and follow precautionary approach wherever we suspect that the risk of our actions might cause harm to environment. We are aiming for responsible use of natural resources, reduction in air emissions, targeted investments in viable technologies that promise profitable growth and corporate ethics that extend beyond compliance with the law and focus on integrity. We are convinced that, with this approach, we are conducting business in a sustainable manner while building the basis for a successful future for our Company and the Planet.

3. Does the Company identify and assess potential environmental risks?

For us, the environmental performance improvement remains an important pillar of our business success. We are committed towards Environmental, Health and Safety (EHS) management. We have implemented a fully integrated EHS management system in our manufacturing plants, which are certified by the internationally recognised ISO-9001, ISO-14001 and OHSAS-18001 standards. In addition, we regularly conduct EHS management system audits by third-party certification agencies to maintain the requirements of global standards. We also continuously focus on improving resource efficiency in clinker and cement production by optimising energy usage, utilising waste in production processes and targeting higher alternative fuel and raw material usage. In the process, we also endeavour to minimise our impact on climate, water and air.

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details thereof in about 50 words or so. Besides, if yes, mention whether any environmental compliance report is filed?

Yes, currently no projects related to Clean Development Mechanism have been taken up by company. However, we have registered our 13.2 MW Waste Heat Recovery Power Plant at Nimbahera with CDM upto FY 2012 under Kyoto Protocol.

5. Has the Company undertaken any other initiatives on clean technology, energy efficiency, and renewable energy and so on? If yes, please give hyperlink to web page and others.

Over the years, JKCL has taken numerous initiatives from clean and green technology perspective. Some of these include:

1. Waste Heat Recovery:

JKCL was the first company in India to install captive power plant in the year 1987. We were also the first cement company in India to install a waste heat recovery power plant to take care of the need of green power. A 13.2 MW plant was first installed in this regard at our Nimbahera manufacturing plant, and during FY 2014-15, we have installed another 10 MW plant at the Mangrol plant to utilise waste heat of Kiln for power generation. Now our total waste heat recovery based power generation capacity stands at 23.2 MW or 16.5% of our total captive power generation capacity, and contributes significantly towards reducing our carbon emissions.

2. Rain water Harvesting:

We, at JKCL, have been very much concerned regarding water harvesting even before legislative compulsion came into existence. Our experience of last 5 years of low rainfall in the areas we operate played an important role in water harvesting program. To meet our requirements, we have been channelising the rainwater through water garlands around the pit and then through check dams. We have made injection wells in plant and colony area along with check bund and water pond. The accumulated rain water in the lower most bench during the monsoon is being used for plantation & spraying on road for suppressing dust and also used in cement plant during the summer season. Since the rainwater gets accumulated around limestone deposits, it does not get contaminated by any toxic substance in the mineral or effluent coming in contact. Hence, the mine water does not require any treatment. The water harvested not only fulfils the requirement of the mines and cement plant but also recharges the water table of the surrounding area as the accumulated water is kept in the lower benches for more than 8 to 9 months.

6. Are the emissions/waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year under review?

Yes.

ANNEXURE E (CONTD.)

7. Number of show cause / legal notices received from CPCB / SPCB, which are pending (i.e. not resolved to satisfaction) as at the end of the financial year.

No show cause / legal notices from CPCB / SPCB have been received by any of the JKCL manufacturing plants during the financial year.

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner.

1. Is your Company a member of any trade and chambers or association? If yes, name only those major ones that your business deals with.

We form part of many industrial associations and forums, engaging with our peers on various matters related to our business. Senior officials from the company represent us on various forums and associations, where we are active on cement sector related and other relevant discussions and best practices information sharing. Some of these associations include:

1. JK Organisation
2. Federation of Indian Chambers of Commerce and Industry (FICCI)
3. Cement Manufacturer's Association (CMA)

2. Have you advocated / lobbied through the above associations for the advancement or improvement of public good?

Yes / No; if yes, specify the broad areas (drop box: governance and administration, economic reforms, inclusive development policies, energy security, water, food security, sustainable business principles and others).

No

Principle 8: Businesses should support inclusive growth and equitable development.

1. Does the Company have specified programmes / initiatives / projects in pursuit of the policy related to Principle 8? If yes, provide details thereof.

J.K. Cement has a rich legacy of being a pioneer in social development initiatives. We believe in being a good corporate citizen by helping communities and being instrumental in cultivating their progress. To achieve the same, we have a well-established CSR policy which reflects our objective of economic and social development to create a positive impact. We constantly strive to create value through our operations and initiatives and are committed towards the socio-economic development of communities. We are involved in various areas of community development and organise outreach programs to build engagement. Our

mission is to aid in uplifting the local stakeholders and also address the socio-economic issues which they might have. We have identified our key thrust areas around which we centre our CSR strategy. They include:

- Education
- Community Hygiene
- Infrastructure Development
- Livelihood Support
- Vocational Training & Skill Development

2. Are the programmes / projects undertaken through in-house team / own foundation / external NGO / government structures / any other organisation?

JKCL has a Board level CSR committee which assists the Board in discharging social responsibilities. It formulates and monitors implementation framework of "Corporate Social Responsibility Policy", observe practices of Corporate Governance at all levels and provide remedial measures wherever necessary. The projects / initiatives are taken in line with the Policy, implemented either through in-house teams or in support with other external competent authorities such as NGOs / government structures based on skill, resources and competence required.

3. Have you done any impact assessment of your initiative?

JKCL regularly engages with local community members as part of its stakeholder engagement exercise, during which community need assessment and discussions regarding the impact of the ongoing projects are also analysed and complied. These allow JKCL to gauge the impact of its ongoing initiatives and design / modify future engagements to better suite the needs of the communities.

4. What is the Company's direct contribution to community development projects? Provide the amount in INR and the details of the projects undertaken?

₹ 4.64 crore was spent during the financial year 2015-16 on CSR initiatives across our major manufacturing locations. This represents 2.86% of average net profit after tax for three financial year immediately preceding the financial year.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in around 50 words.

JKCL regularly engages with local community members as part of its stakeholder engagement exercise, during which community need assessment and discussions regarding the impact of the ongoing projects are also analysed and complied. These allow JKCL to gauge the impact of its ongoing initiatives and design / modify future engagements

to better suite the needs of the communities. This continuous engagement with the communities allows better acceptance and adaptation of the initiatives.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner.

1. What percentage of customer complaints / consumer cases is pending, as at the end of the financial year?

We received 645 complaints during the FY 2015-16, out of which 643, 99.68% of total complaints received, were resolved successfully by 31st March 2016.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes / No / N.A. / Remarks (additional information).

Yes. We strictly follow all applicable regulations and requirements regarding information sharing as part of our marketing campaigns and product labelling. During the reporting year, there were no incidents of fines levied on us or non-compliance with respect to the regulations concerning marketing communications, and product information disclosure and labelling.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and / or anti-competitive behaviour during the last five years and pending as at the end of the financial year? If so, provide details thereof, in about 50 words or so.

No pending complaints regarding unfair trade practices, irresponsible advertising and / or anti-competitive behaviour as at the end of the financial year.

4. Did your Company carry out any consumer survey / consumer satisfaction trends?

In FY 2015-16, we conducted an opinion survey of our Business Organisers to understand their opinion on various critical subjects which are associated with customer satisfaction such as discount structure (Huge discounts V/s Retained profitability), Push V/s Pull model to sell the material, effectiveness of our CTS events, intra-brand competition etc. Based on the inputs received from our Business Organisers, we have accordingly defined our action plan for FY 2016-17 in order to achieve high customer satisfaction.

REPORT ON CORPORATE GOVERNANCE

1. CORPORATE GOVERNANCE

1.1 Company's philosophy on Code of Corporate Governance

At J.K. Cement, we view corporate governance in its widest sense, almost like trusteeship, integrity, transparency, accountability and compliance with laws which are the columns of good governance are cemented in the Company's business practices to ensure ethical and responsible leadership both at the Board and at the Management Level. The Company's philosophy on Corporate Governance is to enhance the long-term economic value of the Company, sustainable return to its stakeholders i.e. the society at large by adopting best corporate practices in fair and transparent manner by aligning interest of the Company with that of its shareholders/other key stakeholders. Corporate Governance is not merely compliance and not simply creating checks and balances, it is an ongoing measure of superior delivery of Company's objects with a view to translate opportunities into reality. This, together with meaningful CSR activities and sustainable development policies followed by the Company, has enabled your Company to earn trust and goodwill of its investors, business partners, employees and the communities in which it operates. In so far as compliance with the requirements of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') is concerned, your Company is in full compliance with the norms and disclosures that have to be made.

1.2 Governance Structure

JK's Governance structure broadly comprises the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the Management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable profitable growth.

2. BOARD OF DIRECTORS

The JK Board plays a pivotal role in ensuring that the Company runs on sound and that its resources are utilised for creating sustainable growth and societal wealth. The Board operates within the framework of a well-defined responsibility matrix which enables it to discharge its fiduciary duties of safeguarding the interest of the Company, ensuring fairness in the decision making process, integrity and transparency in the Company's dealing with its Members and other stakeholders.

Committee of Directors

With a view to have a more focused attention on various facets of business and for better accountability, the Board has constituted the following committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee and Committee of Directors. Each of these Committees has been mandated to operate within a given framework.

Management Structure

Management Structure for running the business of the Company as a whole is in place with appropriate delegation of powers and responsibilities. The Chairman and Managing Director is in overall control and responsible for the day-to-day working of the Company. He gives strategic directions, lays down policy guidelines and ensures implementation of the decisions of the Board of Directors and its various Committees.

Board of Directors

(i) Composition of the Board

At J.K. Cement Ltd., the Board is headed by its Chairman and Managing Director, Shri Yadupati Singhania. The Independent Directors on the Board are experienced, competent and highly reputed persons from their respective fields. The Independent Directors take active part at the Board and Committee Meetings, which adds vision, strategic direction and value in the decision making process of the Board of Directors.

The composition of the Board of Directors is given herein below:

- One Promoter, Executive, Non Independent Director
- Three Non-Executive, Non Independent Directors,
- Six Non Executive, Independent Directors.

(ii) Attendance of each Director at the Board Meetings and last Annual General Meeting

The Board meets at least once a quarter to review the quarterly financial results and operations of your Company etc. In addition, the Board also meets as and when necessary to address specific issues relating to the business of your Company. During the financial year ended 31st March, 2016, five Board Meetings were held on the following dates:

- (i) 23rd May, 2015 (ii) 26th June, 2015 (iii) 1st August, 2015 (iv) 31st October, 2015 and (v) 6th February, 2016.

The attendance of each Director at Board Meetings and at the last Annual General Meeting (AGM) was as under: -

S.No.	Name of Director	No. of Board Meetings attended	Attendance at last AGM
1	Shri Yadupati Singhania	4	No
2	Shri A. Karati	4	Yes
3	Shri J.N Godbole	4	Yes
4	Dr. K.B. Agarwal	5	Yes
5	Shri K.N Khandelwal	5	Yes
6	Mr. Paul Heinz Hugentobler	3	No
7	Shri R.K Lohia	3	No
8	Shri Suparas Bhandari	4	Yes
9	Smt Sushila Devi Singhania	4	No
10	*Shri Shyam Lal Bansal	NIL	N.A.

Appointed w.e.f. 6.2.16

(iii) The number of Directorships on the Board and Board Committees of other companies, of which the Directors are members / Chairman is given as under:

S.No.	Name of Director	Category	Relationship interse Director	No.of other Directorships [@]	No.of Board Committees** (Other than J.K.Cement Ltd.) in which	
					Chairman	Member
1	Shri Yadupati Singhania Chairman & Managing Director	Executive, Non Independent	Smt.Sushila devi Singhania	9	-	-
2	Shri Achintya Karati	Non-Executive, Independent	-	7	1	4
3	Smt. Sushila Devi Singhania	Non-Executive, Non Independent	Shri Yadupati Singhania	1	-	-
4	Shri J.N. Godbole	Non-Executive, Independent	-	8	3	7
5	Dr. K.B. Agarwal	Non-Executive, Independent	-	4	2	1
6	Shri K.N. Khandelwal	Non-Executive, Non- Independent	-	1	-	2
7	Shri R.K. Lohia	Non-Executive, Independent	-	5	-	-
8	Shri Suparas Bhandari	Non-Executive, Independent	-	1	-	-
9	Mr. Paul Heinz Hugentobler	Non-Executive, Non- Independent	-	1	-	-
10	Shri.S.L.Bansal	Non-Executive, Independent	-	2	-	-

@ Directorships on all public limited companies, whether listed or not, has been included and all other companies including private limited companies, foreign companies and companies under Section 8 of the Companies Act, 2013 has been excluded.

** Chairmanship/ Membership of the Audit Committee and the Stakeholders' Relationship Committee has been considered.

(iv) **Non-Executive Directors'**

Compensation and disclosures

Apart from sitting fees paid to the Non-Executive Independent and Non-Independent Directors (except Chairman & Managing Director) for attending Board/ Committee meetings, Commission was paid during the year details of which are given separately in this report. Further, for the expert advisory/consultancy services rendered by any Director consultancy fee has been paid. No transaction has been made with Non-Executive and Independent Directors vis-à- vis your Company.

(v) **Other provisions as to Board and Committees**

Your Company's Board plays a pivotal role in ensuring good governance and functioning of your Company. The Directors are professionals, have expertise in their respective functional areas and bring a wide range of skills and experience to the Board and their foresight helps in decision making process.

The Board has unfettered and complete access to any information with your Company. Members of the Board have complete freedom to express their views on

agenda items and discussions at Board level are taken after due deliberations and full transparency. The Board provides direction and exercises appropriate control to ensure that your Company is managed in a manner that fulfills stakeholder's aspirations and societal expectations.

The matters placed before the Board as required under Listing Regulations inter alia includes:

- a) Key elements of Annual Budget, Business plans and progress thereof, presentation on quarterly performance.
- b) Information on recruitment and remuneration of Senior Officials just below the Board level, including appointment or removal of Chief Financial Officer and the Company Secretary.
- c) Delegation of powers to the Management, Show cause, demand, prosecution notices and penalty notices which are materially important.
- d) Any material default in financial obligations to and by the Company, or substantial non-payment for goods sold by the Company.
- e) Transactions that involve substantial payment towards goodwill, brand equity or intellectual property.
- f) Significant Human Resources related issues.
- g) Sale/purchase or material nature of investments, assets which is not in normal course of business.
- h) Any issue which involves possible public or product liability claims of substantial nature including any judgement or order which may have passed stricture on the conduct of the Company or taken an adverse view regarding another enterprise that can have negative implications on the Company. Review of compliance of all laws applicable to the Company including the requirements of the Listing Regulations with the Stock Exchanges and steps taken by the Company to rectify instances of non-compliances, if any.
- i) Minutes of Meetings of Audit Committee, Committee of Directors and other Committees of Board.

Board Training and Induction

At the time of appointing a Director, a formal letter of appointment is given to him, which inter alia explains the

role, function, duties and responsibilities expected of him as a Director of the Company. The Director is also explained in detail the compliances required from him under the Companies Act, Regulation 25(7) of the Listing Regulations and other relevant regulations and his affirmation taken with respect to the same.

Meetings of Independent Directors

The Company's Independent Directors meet at least once in every financial year without the presence of non-independent directors and management personnel inter alia to :

- review the performance of Non-Independent Directors and the Board as a whole,
- review the performance of the Chairman and Managing Director of the Company, taking into account the views of Non-Executive Directors,
- assess the quality, quantity and timeliness of flow of information between the Company's management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

During the year under review, the Independent Directors met on February 9, 2015 without the presence of Non-Independent Directors and management personnel to discuss the aforesaid issue. All the Independent Directors were present at that Meeting.

Performance evaluation of Independent Directors

The Board evaluates the performance of Independent Directors and recommends commission payable to them based on their commitment towards attending the meetings of the Board/Committees, contribution and attention to the affairs of the Company and their overall performance apart from sitting fees paid for each Board and Committee Meetings attended by them.

Familiarisation Program for Directors

On appointment, the concerned Director is issued a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. Each newly appointed Independent Director is taken through an induction and familiarisation program including the presentation and interactive session with the Chairman and Managing Director and other Functional Heads on the Company's manufacturing, marketing, finance and other important aspects. The Company Secretary briefs the Director about their legal and regulatory responsibilities as a Director. The program also includes visit to the plant to familiarise them with all facets of cement manufacturing. On the matters of specialised nature, the Company engages outside experts/consultants for presentation and discussion

with the Board members. The details of familiarisation program can be accessed from the website.

- Transmission of shares to the legal heirs, where deceased shareholder was a sole holder.
- Transposition of shares in case of change in the order of names in which physical shares are held jointly in the names of two or more shareholders.

emissions low air and water pollution, use of alternative fuel, renewable energy etc.

At J.K. Cement, we strive to integrate responsible environmental practices into business operations that can add value in terms of environmental capital and financial profitability and have taken adequate measures towards the same. We consciously aim to mitigate environmental impacts due to our business operations and follow precautionary approach wherever we suspect that the risk of our actions might cause harm to environment. We are aiming for responsible use of natural resources, reduction in air emissions, targeted investments in viable technologies that promise profitable growth and corporate ethics that extend beyond compliance with the law and focus on integrity. We are convinced that, with this approach, we are conducting business in a sustainable manner while building the basis for a successful future for our Company.

For us, the environmental performance improvement remains an important pillar of our business success. We also continuously focus on improving resource efficiency in clinker and cement production by optimising energy usage, utilising waste in production processes and targeting higher alternative fuel and raw material usage. In the process, we also endeavour to minimise our impact on climate, water and air.

Sustainability and Environment

The Company's Sustainability framework continued to assess sustainability risks and opportunities both at the unit and corporate levels and monitor the various sustainability initiatives. The Company's initiatives aimed at low carbon

Occupational Health & Safety

Safety is the core operational priority at all our plants and we are committed in creating safe and conducive work environment for all our employees. We are continuously working towards enhancing working conditions by implementing safe workplace practices, establishing safety systems, extensive employee communication, supporting infrastructure and encouraging a compliance with systems and good practices. As a step to ensure well-being of the workforce, all our formal agreements cover health and safety parameters.

We have developed robust safety systems which are aimed at nurturing a safety culture where each employee takes ownership and responsibility for his and the safety of his team members. We do this by operating a workplace accident prevention program, improving employee safety measures, and investing in safety education and materials to instil a culture throughout the company. Every safety incident in the organisation is a leaning and an instrument for improving the safety systems within our organisation. Incident-accident recording systems are maintained as per regulatory requirements. All of our manufacturing facilities monitor the injuries (first aid, minor and reportable injuries). We have well established Environment, Health & Safety (EHS) Management systems with designated responsibilities and safety infrastructure, which are under constant supervision and up-gradation to comply with leading international standards. Root Cause Analysis (RCA) is performed for reported incidents to identify the reasons for the incident and suggest mitigation/avoidance based on the investigation. The learnings from these incidents are shared amongst the employees to prevent any future repeat occurrence.

The continuous identification of potential risk factors and improvement activities helps us to achieve such success.

To further instil the safety culture, a safety committee is functional at all our manufacturing plants and is powered by equal participation from management and worker representatives. During the year, we have organised various awareness and counselling programs on Health and Safety aspects across our plants covering occupational health and safety aspects, lifestyles diseases and common seasonal diseases beside others.

Risk & Opportunities

Understanding business risks is required for ensuring timely mitigation and smooth operations. The growth of Indian cement industry has been commendable in the past decade with a compounded growth of about 8%. However, the growth rate has slowed in the recent years. One of the major factors for this is reduced demand from housing sector which attributes to about 67% of the total consumption. The slowdown in construction activities, regulatory delays in infrastructure projects and high interest rates have been other important factors resulting in reduced growth of the cement industry.

Higher operating costs including but not limited to cost heads such as raw materials, energy and freight has been identified a risk factor for future operations. The fluctuation in prices of INR pose risk to the sustainability of our operations. The trends seen in the industry are also expected to pose risk for availability of training manpower and lack of investment in innovation.

Competition	The Indian cement sector has become highly competitive with multiple large players operating, result of entry of foreign players and years of consolidation and expansion by domestic companies. While earlier most companies were catering to specific parts of India, now most players are expanding their reach pan-India thus creating greater market competition.
Fuel availability and prices	Coal is the primary source of fuel for the captive power plants and cement plants. Here shortage of coal supply, quality of coal, and volatility of fuel prices remain a major concern for the sector. With dwindling production of domestic coal supplies, coal linkages for cement companies is expected to decline further on account of coal linkages being offered to power producers.
Bargaining power of the customers	Cement is a commodity business and sales volumes mostly depends on the distribution reach of the company. However, things are changing and some brands have now started commanding a premium on account of better quality.
Increase in production cost	There has been severe pressure on the production costs over the past years, primarily driven by a rise in costs of raw materials, fuel, power, and freight costs which approximately forms 70% of our overall costs.

Despite the slowdown observed in cement sector market, the 12 five year plan of the government includes plans to increase the investment in infrastructure to about US\$ 1 trillion. Considering the future business opportunities available, we are working on tapping them by expanding our Company's footprint to cater to the increased demand. In this light, we completed the Grey Cement expansion to 10.5 MTPA in 2014-15. Our focus is on adopting technological excellence, hiring and retaining competent staff and planning for pan India presence and competent workforce in order to ensure we are market ready to respond to future demands. We are also planning to strengthen our brand

positioning by extensive marketing and strengthening our distribution network. We at J.K. Cement are thus preparing a strong platform for sustainable growth in future.

Managing the Risks of Fraud, Corruption and Unethical Business Practices

The Company is committed to Fraud and Corruption-free work culture. In view of the potential risk of fraud and corruption due to rapid growth and geographical spread of operations, the Company has put greater emphasis to address this risk

INDEPENDENT AUDITOR'S REPORT

To the Members of J.K. Cement Limited

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of J.K. CEMENT LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016 and its profit and its cash flows for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "EXHIBIT A".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 36 to the financial statements.
- (ii) The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

Re: J.K. CEMENT LIMITED

The Annexure referred to in our Independent Auditor's Report to the members of the Company on the standalone financial statements for the year ended 31st March, 2016, We report that:

i. In respect of its Fixed Assets:

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets other than furniture and fixtures and office equipments.
- (b) All the assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of registered sale deed /transfer deed/ conveyance deed and other relevant records evidencing title provided to us, we report that, the title deeds, comprising all the immovable properties of land and building are held in the name of the company as at the balance sheet date, except the following:

Particular of land	Gross Block as at 31-03-2016 (₹ In lacs)	Net Block as at 31-03-2016 (₹ In lacs)	Remarks
i. Leasehold land (one case)	1353.07	456.52	The title deeds are in the name of erstwhile company that merged with the company pursuant to a scheme of amalgamation and arrangement as approved by the Honorable High Court.
ii. Freehold land (four cases)	225.64	225.64	

ii. In respect of its Inventories:

As explained to us, inventories have been physically verified during the year by the management at reasonable intervals and discrepancies noticed on verification between physical stocks and the book records were not material.

iii. In respect of loans, secured or unsecured, granted by the Company to Companies, firms or other parties covered in

the register maintained under section 189 of the Companies Act 2013, according to the information and explanations given to us:

- (a) The Company had/has granted Unsecured Loans to one company The terms and conditions of loans are not prima facie prejudicial to the interest of the company.
- (b) There is no stipulation for the repayment of principal and payment of interest.
- (c) There is no overdue amount of such loan.
- iv. In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investment made.
- v. In our opinion and according to information and explanations given to us, the company has not accepted any deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013, therefore, the provisions of paragraph 3(v) of the Companies (Auditor's Report) order, 2016, are not applicable to the company.
- vi. We have broadly reviewed the books of account maintained by the company, pursuant to the rules made by the Central Government, for maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 and we are of the opinion that prima-facie the prescribed accounts and records have been maintained.
- vii. According to the information and explanations given to us, in respect of statutory and other dues:
- (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and other material Statutory dues were in arrear as at 31st March, 2016 for a period more than six months from the date they became payable.

- (b) According to the records of the company, income tax, sales tax, service tax, duty of custom, duty of excise or value added tax which have not been deposited on account of any dispute, are as follows :-

Name of the Statute	Nature of the Dues	Amount (₹ in Lacs)	Period to which Amount Relates	Forum where Dispute is Pending
Finance Act 2008 (State)	Environment and Health Cess	2815.12	2008-09 to 2015-16	Jodhpur High Court and Bangalore High Court
State Sales Tax Act	Sales Tax	3073.81	1991-92 onwards	Various Courts in Uttar Pradesh and Rajasthan
Central Sales Tax Act	Sales Tax	1298.59	1999 Onwards	Appeal with D.C.S.T
Rajasthan Entry Tax	Entry Tax	4512.64	July, 2006 Onwards	Appeal with Jodhpur High Court
Rajasthan Entry Tax	Interest on Entry Tax	3718.82	2002-03 Onwards	Appeal with Jodhpur High Court
Uttar Pradesh Entry Tax	Interest on Entry Tax	314.47	2008-09 and 2009-10	Appeal with Supreme Court
Central Excise Act,1944	Excise Duty including Interest thereon	419.02	1989	Supreme Court
Finance Act, 1994	Service Tax	1085.42	June, 2007 to March, 2008	Central Excise Department
Central Excise Act,1944	Excise Duty including Interest	1732.71	July, 1999 to March, 2008	Central Excise Department
Service Tax	Service Tax on GTA	228.89	-	Central Excise Department

- viii. According to the information and explanations given to us, the company has not defaulted in repayment of loans or borrowings to banks, government or dues to debenture holders.
- ix. In our opinion and according to the information and explanations given to us, the debentures and term loans have been applied for the purposes for which they were obtained.
- x. According to the information and explanations give to us, no material fraud by the company or on the company by its officer or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us and based on our examination of the records of the company, the company has paid/provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of section 197 read with schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the company is not a nidhi company. Therefore the provisions of paragraph 3 (xii) of the Companies (Auditor's Report) order, 2016, are not applicable to the company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into non-cash transactions with directors or persons connected with him, Therefore the provisions of paragraph 3 (xv) of the Companies (Auditor's Report) order, 2016, are not applicable to the company.
- xvi. The company is not required to be registered under section 45 – IA of the Reserve Bank of India Act, 1934.

EXHIBIT "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF J.K. CEMENT LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of J.K. CEMENT LIMITED ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section

143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal

financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial

reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

38. The Company has incurred ₹ 464.05 lacs Towards Social Responsibility activities. Further, no amount has been spent on construction/acquisition of an asset of the Company and entire amount is spent on cash basis. The amount required to be spent under section 135 of the Companies Act, 2013 for the year 2015-2016 is ₹ 449.50 lacs i.e. 2% of average net profits for last three financial years, calculated as per section 198 of the Companies Act,2013.

39. Previous year figures have been regrouped and recasted wherever necessary to conform to the classification for the year.

SIGNIFICANT ACCOUNTING POLICIES

1. ACCOUNTING CONCEPTS

The financial statements are prepared under the historical cost convention on an accrual basis and in accordance with the applicable mandatory Accounting Standards.

2. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of Financial Statements and the results of operation during the reporting period end. Although these estimates are based upon management's best knowledge of current event and actions, actual results could differ from these estimates.

3. FIXED ASSETS

Fixed assets are stated at cost. Cost comprises the purchase price and attributable cost of bringing the asset to its working condition for its intended use.

4. EXPENDITURE DURING CONSTRUCTION PERIOD

Expenditure/Income, during construction period (including financing cost relating to borrowed funds for construction or acquisition of qualifying fixed assets) is included under Capital Work-in-Progress and the same is allocated to the respective fixed assets on the completion of their construction.

5. DEPRECIATION AND AMORTIZATION

I) Tangible Assets

- i) Depreciation is provided on straight line method based on useful life specified in Schedule II to the Companies Act, 2013.
- ii) Depreciation on additions/deductions to fixed assets is being provided on pro-rata basis from the month of acquisition.
- iii) Depreciation on Fixed Assets constructed by the Company but ownership of which vests with State Electricity Boards/Indian Railways is provided on useful life specified in Schedule II to the Companies Act, 2013.
- iv) Leasehold land is amortised over the period of lease.

II) Intangible Assets

- i) Computer Software cost is amortised over a period of three years.

6. IMPAIRMENT OF ASSETS

The carrying amount of assets is reviewed at each balance-sheet date. If there is any indication of impairment based on internal and external factors, an impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value the estimated future cash flows are discounted to their present value at the weighted average cost of capital. For the purpose of accounting of impairment due consideration is given to revaluation of reserves, if any.

After impairment depreciation is provided in the revised carrying amount of the assets over remaining useful life.

7. GOVERNMENT SUBSIDIES

Government grants/subsidies are accounted for only when there is a certainty of receipt.

8. INVESTMENTS

Current investments are stated at lower of cost or fair market value. Long term investments are stated at cost after deducting provisions made for other than temporary diminution in the value, if any.

9. INVENTORIES

Inventories are valued at "cost or net realizable value, whichever is lower". Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a moving weighted average basis (Store Spare parts etc and Raw materials). In respect of work in process and finished goods cost is determined on a monthly moving weighted average basis.

10. SALES

Sale of goods is recognized at the point of sale to customer. Sale includes excise duty. In order to comply with the accounting interpretation (ASI-14) issued by the Institute of Chartered Accountants of India, sales (including excise duty) and net sales (excluding excise duty) is disclosed in Profit & Loss Account.

11. BORROWING COST

Interest and other costs in connection with the borrowing of the funds to the extent related/attribution to the acquisition/construction of qualifying fixed assets are capitalized upto the date when such assets are ready for its intended use and other borrowing costs are charged to Profit & Loss Account.

SIGNIFICANT ACCOUNTING POLICIES

12. RETIREMENT BENEFITS

The Company's contributions to Provident Fund and Superannuation Fund are charged to Profit & Loss Account. Contributions to Gratuity Fund are made on actuarial valuation and Provision for Leave encashment are made on the basis of actuarial valuation and charged to Profit & Loss Account.

13. FOREIGN EXCHANGE TRANSACTIONS

Foreign currency transactions are accounted at equivalent rupee value earned/incurred. Year end balance in current assets/liabilities is accounted at applicable rates. Exchange difference arising on account of fluctuation in the rate of exchange is recognized in the Profit & Loss Account.

Investment in subsidiary company is expressed in Indian Rupees at the rate of exchange prevailing at the date of investment.

14. PROVISION FOR CURRENT AND DEFERRED TAX

Provision for Current Tax is made on the basis of estimated taxable income for the current accounting period and in accordance with the provisions as per Income Tax Act, 1961.

Deferred tax resulting from "timing difference" between book and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be adjusted in future. Permanent timing difference adjustments are not accounted for in provisions.

15. MINES RESTORATION EXPENDITURE

The expenditure on restoration of the mines based on technical estimates by Internal/External specialists is recognized in the accounts. The total estimated restoration expenditure is apportioned over the estimated quantity of mineral resources (likely to be made available) and provision is made in the accounts based on minerals mined during the year.

16. OPERATING LEASES

Leases where significant portion of risk and reward of ownership are retained by the lessor are classified as operating leases and lease rentals thereon are charged to the Profit & Loss Account.

17. PROVISION/CONTINGENCY

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each Balance-sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are disclosed.

18. EARNINGS PER SHARE

The basic Earnings Per share (EPS) is computed by dividing the net profit/(loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders divided by the weighted average number of equity shares outstanding during the year after adjusting for the effects of all dilutive potential equity shares.

19. CLASSIFICATION OF ASSETS AND LIABILITIES INTO CURRENT/NON CURRENT

All assets and liabilities are presented as Current or Non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non current classification of assets and liabilities.

20. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of Cash Flow Statement includes Cash in hand, Balances with Banks and Fixed deposits with Banks.

INDEPENDENT AUDITOR'S REPORT

To the Members of J.K. Cement Limited

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of J.K. CEMENT LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and a jointly controlled entity, comprising of the Consolidated Balance Sheet as at 31st March, 2016 the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Jointly controlled entity in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its jointly controlled entity as at 31st March, 2016 and their consolidated profit and their consolidated cash flows for the year ended on that date.

OTHER MATTERS

- (a) We did not audit the financial statements of three subsidiaries whose financial statements reflect total assets of ₹ 63565.86 lacs as at 31st December, 2015, total revenues of ₹ 23012.41 lacs and net cash flows amounting to ₹ (458.67) lacs for the year ended on that date, as considered in the consolidated financial statements.

These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

- (b) We did not audit the financial statements of a jointly controlled entity, whose financial statements reflect total assets of ₹ 14.90 lacs as at 31st March, 2016 total revenues of ₹ 1.15 lacs and net cash flows amounting to ₹ 0.33 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this jointly controlled entity, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid jointly controlled entity, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement

with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the holding company as on 31st March, 2016 taken on record by the board of directors of the holding company and reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the group companies is disqualified as on 31st March, 2016 from being appointed as a director in terms of section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial control over financial reporting of the group and the operating effectiveness of such controls, refer to our separate report in "EXHIBIT A" and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its jointly controlled company – Refer Note "30" to the consolidated financial statements.
 - ii. The Group, and its jointly controlled entity did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

EXHIBIT "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF J.K. CEMENT LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31st March, 2016, we have audited the internal financial controls over financial reporting of J.K. CEMENT LIMITED ("the Holding Company") and its subsidiary which is incorporated in India as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Respective Board of Directors of the Holding Company and its subsidiary, which is company incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its subsidiary which is incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES ON CONSOLIDATED ACCOUNTS

PRINCIPLES OF CONSOLIDATION

1. The consolidated financial statements of the Group have been prepared on the following basis:
 - (a) The consolidated financial statements of the Group are prepared in accordance with Accounting Standard-21 “Consolidated Financial Statements” issued by ICAI.
 - (b) The financial statements of the Company, its Subsidiary Company and Joint Venture Company have been consolidated on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after eliminating intra-group balances.
 - (c) Foreign Subsidiaries, being non integral foreign operations, revenue items are consolidated at the rate prevailing on the date of transactions. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in Foreign Currency translation reserve.
 - (d) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company’s separate financial statements.
 - (e) Calendar year as accounting year is adopted by J.K. Cement (Fujairah) FZC and J.K. Cement Works (Fujairah) FZC and the books are being prepared on year ending 31.12.2015.

2. The Companies considered in the consolidated financial statements are:

Name of the Company	Nature of Company	Country of Incorporation	Holding as on 31.03.2016	Date of period consolidation
J.K. Cement (Fujairah) FZC	Subsidiary	U.A.E.	100%	Calendar year 2015
J.K. Cement Works (Fujairah) FZC	Fellow Subsidiary	U.A.E.	90%	Calendar year 2015
Bander Coal Company Pvt Ltd	Joint Venture	India	37.5%	FY 2015-2016
Jaykaycem (Central) Ltd	Subsidiary w.e.f. 16.07.2015	India	100%	FY 2015-2016

3. Investment in subsidiary company is expressed in Indian Rupees at the rate of exchange prevailing at the date of investment.
4. Other Significant Accounting Policies:
These are set out under ‘Significant Accounting Policies’ as given in the Standalone Financial Statements of J.K. Cement Ltd.
5. The Subsidiary Companies incorporated in UAE have prepared the Financial Statements in accordance with International Financial Reporting Standards for Small and Medium Enterprises (IFRS for SME’s)
6. Additional information required to be disclosed in terms of Schedule III of the Companies Act 2013;

Name of Entity	Net Assets		Share in profit or loss	
	As a % of consolidated net assets	Amount (₹/lacs)	As a % of consolidated profit or loss	Amount (₹/lacs)
J.K. Cement (Fujairah) FZC & J.K. Cement Works (Fujairah) FZC	18.79%	31173.10	(64.66%)	(4098.32)
Jaykaycem (Central) Ltd	0.40%	656.83	(0.03%)	(2.18)
Bander Coal Company Pvt Ltd	0.01%	14.9	(0.26%)	(16.55)
